S. S. CONOVER

Rejoicing Over His Late Great Success.

I have been afflicted with rheumatism twenty years. For the last ten years have been obliged to use crutches. Often my left hip and knee would entirely give out. Have expended a large amount of money for remedies recommended as a cure for that terrible disease, have used the most powerful liniments on my hip and knee to sooth the pain, that I might get a little sleep. My hip and knee had lost nearly all strength by the use of the liniments, and I could get no help. I saw an advertisement of your remedy in a paper and ordered half a dozen bottles of Hibbard's Rheumatic Syrup, took them and received some relief, ordered another dozen. Have taken seven of the last dozen, and I am happy in saying that I know I am being cured. Have not used any liniments since I commenced taking your syrup. When I began taking your syrup I could not take a step without the use of a cane; neither could I turn myself in bed without aid; can now turn in bed without any trouble; can walk about my house and office without the use of my cane. After loosing track of it, for the reason when I take a long walk I take it along. My office is four block from my house; I have not walked to my office in over a year until last Thursday a week. Since that time I have walked to and from it every day, except Sunday. I am truly rejoicing that I am fast being relieved from such a terrible affliction.

Wishing that I might herald to all who are afflicted with disease the merits of your wonderful medicine, I write you of the benefits which I have derived from its use. Send me one half dozen bottles syrup and one-third dozen plasters by express C. O. D. This I want for a friend in the northern part of this county. He is a great sufferer with rheumatism.

Very truly,
S. S. Conover.

Agt. of the Northwestern Mutual Life Insurance Co., Manistee, Mich.

Special Notice.

GREENVILLE, MICH., Oct. 23, 1886.

Hibbard's Rheumatic Syrup Co., Jackson, Mich.:

DEAR SIR—In reply to your letter, I am glad to grant your request. In nature my disease was a severe case of inflammatory rheumatism. It had been running five years and affected me in all parts of my body from my head to my feet. I was at times so crippled in my hands, and limbs as to be unable to help myself. I have used your medicine about six weeks in all about three bottles. I am now able to do my own work in better spirits, no pains, and continually improving. My age is 63, and my condition a year ago and now, speaks very highly of what your medicine has done for me.

I am happy indeed to recommend its true merits. It is the best remedy we have ever used. Respectfully,

MRS. A. W. CALDWELL.

The Verdict Unanimous.

W. D. Sult, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of 10 years' standing." Abram Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have handled in my 20 years experience is Electric bitters." Thousand of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. AN END TO BONE SCRAPING.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Eclectric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve, at 25c per box by Whitehead & Mitchell.
