HEALTH AND BEAUTY.

Do not begin a long journey until some breakfast has been eaten. After taking a warm drink do not go immediately out into the cold and do not drink anything hot immediately as you come in out of the cold.

To soften nails, rub the following preparation well into them each night and sleep in gloves: Lanoline, one ounce; vaseline, half-ounce; olive oil, ten drops. The hands should always be washed in warm water and the nails polished with a leather.

The upper part of the arms of a woman should be large, full and well rounded. The forearm should not lie too flat. A dimple at the elbow is very desirable. Correctness of form is not the most necessary thing for a good arm. The owner should also possess the power of expression and here is a word of advice—the slowest movements are always the prettiest.

People are most likely to catch cold in the back than they are generally aware of and if neglected may prove a serious matter. The back, especially between the shoulders, should always be kept well covered and never lean with your back against anything that is cold. Never sit with your back in a direct draught and when warming it by the fire do not continue to keep the back exposed to the heat after it has become comfortably warm. To do so is debilitating.

The woman who wishes to retain the beauty of her face should forego the use of the smelling bottle. Stand in front of a mirror and inhale the pungent odor from a smelling bottle and notice the number of lines which form about the eyes, nose and mouth. Each sniff taken from the bottle causes the same screwing up of the face and each time the unbecoming lines deepen. Remember, also, that it is an unpleasant experience which has called up these wrinkles. Those caused by laughing and talking are bad enough, but wrinkles formed by the use of smelling salts gives an absolutely undesirable expression.

ODDS AND ENDS.

A cycling firm in Cologne has patented a new bicycle bell, in which is concealed a kind of revolver, which is to serve the double purpose of frightening away vicious dogs and cheeky tramps. By merely pressing a button attached to the side of the bell ten cartridges can be fired off in succession, these giving such a loud report that obnoxious persons and animals would not think twice of beating a hasty retreat.

WE CURE STRICTURE

Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a smarting sensation, small, twisting stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak organs, emissions, and all the symptoms of nervous debility—they have STRICTURE. Don't let doctors experiment on you, by cutting, stretching, or tearing you. This will not cure you, as it will return. Our NEW METHOD TREATMENT absorbs the stricture. Never returns removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the blind manhood returns.

WE CURE GLEET

Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Failing Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunken Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Shrunken Parts, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow Quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for a cure.

Robbed the Grave.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters, and to my joy and surprise the first bottle made a decided improvement. I continned their use for three weeks and am now a well man. I know they saved my life and robbed the grave of another victim. No one should fail to try them. Only 50 cents per bottle at Whitehead & Mitchell's Drug Store.

BUCKWHEAT PANCAKES

done to a turn, red-hot from the griddle, crisp and brown with good butter can be made better to eat by using

Honey and Maple Syrup

made by the Scully Syrup Oo., of Chicago, Ill. Remember this please, we do not claim that this syrup is made of honey and maple syrup, but a combination that tastes very much like it and is good to eat.

Price? Of course the price is a little bit higher than the common stuff, but the delight and pleasure and satisfaction of eating the best is worth a little, isn't it?

How much? Only 50c per gallon. Bring in 7c and a pint bowl and try a sample. Better yet. Take a syrup pitcher full home with you—all your own for 15c. That's too cheap to talk further about it.

Yours syrupally,

You have asked for my conscientious opinion of its merits medicinally, and I have no hesitancy in saying that I believe your whiskey possesses the highest standard of excellency and purity.

Yours truly,
