AXFOR , STOCKWELL, & Co., PONTIAC, MICH

To the People of Old Oakland and vicinity:

DEAR FRIENDS:—Our having been in business only since April, 1881 will convince you that we have no old goods to show. Our stock consists of all the newest and freshest novelties of the season. We do not let our stock run down but are continually receiving the very latest styles and you can feel assured when you call of always finding something new and interesting. This week we have just received a new invoice of prints (the new fall styles) and many other goods including the latest styles in dress buttons. Ladies wanting the very latest styles in dress buttons to match all shades of dress goods will always find our stock replete and at prices as low as the lowest.

We take pleasure in calling the attention of the Ladies to the well known fact that we are doing the largest trade in Dress Goods, Hosiery, Notions and Corsets, done in this city; and the reason that that is so, is due to the fact that our goods are new and fresh, we sell a good article, and sell it cheap, and strive in every way to please our customers by placing before them the freshest goods, and showing them every attention in our power, judging no one by their dress, but extending to all the same courtesies.

There are a few facts that we wish to especially impress upon the minds of our Lady Customers in regard to our Corset trade: 1st—We purchase our Goods direct from the manufacturers. 2d—We have no old style of Corsets to show you; all of them are new and contain all the late improvements. 3d.—We guarantee the fit and wear. 4th—Our prices are so low that no firm is presuming enough to claim to undersell us.

We extend to you all a cordial invitation to call and see us. We have the largest and most pleasant sales room in this city—no traveling up or down stairs; our several departments are all on one floor. We like Pontiac to live in and do business in, and like the people to deal with. We don't want to sell out or close out, but are perfectly satisfied, and have come to stay.

Very truly yours,
