ROYAL OAK RUMBLINGS.

EDITED AND CONDUCTED BY ARTHUR W. CAMPBELL.

Subscriptions Received and Advertising Contracted for in this Paper by the Agent, Arthur W Campbell, of Royal Oak.

School is again open.

Grand picnic to-morrow.

Mr. and Mrs. Chauncey Humphrey of Oakwood were down last week.

Mrs. Charles Tucker returned to Lansing on Saturday, after a four weeks' visit.

Miss Mary Wilson, who has been down with fever and ague for some time, is no better.

The picnic is in Benjamin's woods next to the school house, in Hazel park, to-morrow. Be sure to come.

Master Lee Campbell took a roll on the billows last Saturday and landed at Sand Beach for a week's stay.

The funeral of Mrs. Court Allen was Tuesday and many were present. The Rev. Mr. Rogers conducted the services.

We wonder that A. C. Campbell had built a brick cellar under his house and not a "brick house" as the comp. got it.

Miss Julia Russell has returned from a pleasant sojourn with Detroit friends, bringing her cousin, Miss Jessie Russell, home with her.

Milton Campbell and his mother, of Oakwood, attended the funeral of the latter's sister, Mrs. C. Allen; also Mrs. James Barnes of the same place.

Brave warriors were those gallant youths who got close enough to a coon to hear him eat corn, and with great skill and courage made a safe retreat towards home.

Miss Carrie Moore of White Lake began her duties as teacher in the primary department on Monday last. How good it seems to have the noisy chatterboxes out from under foot again.

Mr. and Mrs. J. R. Wells are improving a week's vacation by a trip up the lakes. They will stop at Sand Beach and Cheboygan, from there by rail to Gaylord, where Mrs. Wells' son lives.

Old Mrs. Cook, in a manner which we did not learn, recently fell and dislocated a hip. She is nearly 75 years of age, for which reason her recovery may prove doubtful.

An ox team with a big wagon to draw the children to the picnic grounds to-morrow, will be a novel feature. The entire program is equally interesting. Everybody is invited to come and bring his girl.

No, sir! Royal Oak is not ashamed of her wages. If she was that item would never have appeared "Good Pooh" that wouldn't keep us in chewing gum. If we were worth no more than that we'd quit entirely.

The summer kitchen of Mr. V. Rose was blown down by the strong wind on Friday afternoon at about 2 o'clock. Mrs. Dows, who was sitting at the table, received a blow which, for a time, was feared to be fatal. Mr. Rose's hired man was also seriously injured.

The Sunday school excursion to Orchard Lake last week Wednesday was a huge success, nine coaches being packed full. It is thought that over 200 went from here, and every one we meet tells what a good time they had. Will Rogers beat everything up there in the line of skating, and nearly all tried their skill at rowing with varying success. Another school from Stockbridge came with a brass band which furnished music for all.

CONTRIBUTED.

Mr. L. Carlton visited friends in Detroit last week.

B. B. Miller of Detroit, a former resident of Royal Oak and relative of Mr. L. Carlton, visited here recently.

Miss Allie Venn is spending a week at L. Carlton's. She will spend the Sabbath with her old associates, Misses Minnie Starr and Sarah Springsteen.

John Wenn, a former Royal Oaker, a mason by trade, is employed as night watchman at the Peninsular stove works. He says no more mason work for him, for he has gained not only in purse but in avordupois, being 20 pounds heavier.

Dr. Weare's Sure Cure For Heaves.

Accomplishes what its name implies, and no modicine is equal to it for Epizootic. A trial of one 25 centpackage condition powders, or a 50 cent sure cure for heaves will convince greater results than four times the expenditure in any other remedy and convince the most skeptical of their real worth and reliability. BRUMMIT, AGAIN.

It is about a year now since I wrote an advertisement. Not because I have nothing to say, but because I am vain enough to think that the citizens of this county know that too long as I am in business I shall always make the BEST PHOTOGRAPHS for as low prices as they can be made for properly; and just here I want to tell you something. I attended the Photographer's Convention at Cincinnati in August, and had the opportunity of seeing the finest collection of Photographs ever brought together in the world, and I am proud to say that my work pictures compare favorably with the very best made, and are equal to pictures made in large cities for from $50 to $100 each. I wish particularly to speak about these pictures. I have a method of making life size pictures which does not appear to be known generally, and I can make a picture life size and put a handsome frame around it for $15, which is a great deal less than it will cost a Photographer to make such a picture by the ordinary method. I see every little while agents from other cities soliciting orders for copies and they often succeed in getting a good many orders from people who, strange as it may seem, will give an order to a perfect stranger and pay half as much again as they can get better work for here at home. It is about as though I should send to Toledo to buy a crock of butter or a spring chicken, but such is life.

I have just had painted by the best background painter in the United States, six new and beautiful backgrounds, and I bought some new accessories at Cincinnati, and I really think that there is not a more complete gallery in Michigan.

Now about BABIES' PICTURES. If there is a baby in this county that I can't make a picture of, if I have the chance, I am just aching to see that baby. The babies all like me and I like the babies, so bring them along and just let me show you how quick I can make a picture.
