SPECIAL ELECTION NOTICE.

Notice is hereby given that at a meeting of the Village Council of the village of Birmingham, held on the twenty-third day of August, 1889, a preamble and resolution of which the following is a true copy, was made and passed by said council, to-wit:

WHEREAS, It is the opinion of this council that it will be for the best and permanent interest of the village of Birmingham that a system of water works be established and maintained therein, and that such water works should be owned and operated by the village itself, and that the sum of fifteen thousand dollars will be sufficient to establish and construct such water works, and that the best way to secure the necessary money for such purpose is to borrow the same for a long time and at a low rate of interest and issue the bonds of the village therefor, and

WHEREAS, This council has caused an estimate to be made of the cost and expense of the construction of a suitable system of water works in and for said village; and that, according to such estimate, the sum of fifteen thousand dollars will be required and will be sufficient for that purpose, therefore

RESOLVED, That the question of raising the sum of fifteen thousand dollars, the amount required for the construction of suitable water works in this village, by borrowing the same on terms hereinafter named, be submitted to the electors of this village at a SPECIAL ELECTION which is hereby ordered for that purpose, to be held on the ninth day of September, 1889, in said village, at the council room thereof, and at which time and place the question of borrowing the said sum of fifteen thousand dollars for said purpose, at a rate of interest not exceeding five per cent, per annum and for a term of years, not less than five years and not over twenty years, as this council may elect, and the issuing of the bonds of this village therefor, in accordance with the form of such loan, will be submitted to the electors of said village.

That the Village Clerk of said village is hereby required to procure and furnish to the inspectors of such Election sufficient ballots for use in said village at such election, upon one-half of which shall be printed the words, "For Water Works Loan, Fifteen Thousand Dollars—YES," and upon the other one-half shall be printed the words, "For Water Works Loan, Fifteen Thousand Dollars—NO." Said Clerk shall also give at least eight days' notice of said election and the object, time and place thereof, and the questions to be voted upon thereat, by posting such notice in at least six public places in said village and publishing a copy thereof in the BIRMINGHAM ECCENTRIC for at least eight days previous to such election, such notice in all respects to comply with the statutes applicable to such case.

That Trustees John Bodine, Frank Ford and Lyman Peabody shall constitute the inspectors of said election. In case of the sickness, absence or inability of any one of said three trustees to be present at such election, Trustee John L. Campbell shall act as an Inspector of such election in place of such absent trustee. Said inspectors shall procure a suitable ballot box and shall have the same at said voting place, at said election, and shall hold the election open for the purpose of receiving votes on said question, from eight o'clock in the forenoon to five o'clock in the afternoon of said election day, and shall receive the votes of all electors who are entitled to vote at such election; and shall conduct said election and canvass all the votes cast thereat and announce and report the result thereof, in the same manner, as near as may be, as ordinary charter elections are conducted, and the votes for village officers canvassed, announced and reported in said village.

That any elector desiring to vote at such election shall tender such inspectors a proper ballot, and whoever shall vote a ballot at such election on which are written or printed the words, "For Water Works Loan, Fifteen Thousand Dollars—YES," shall be deemed to have voted for the construction of such water works, and the borrowing of the said sum of fifteen thousand dollars by said village to defray the expenses thereof and the issuing of the bonds of said village therefor on the terms heretofore set forth. And whoever shall vote at such election a ballot on which are written or printed the words, "For Water Works Loan, Fifteen Thousand Dollars—NO," shall be deemed to have voted against the construction of such water works and against the borrowing of the said sum of fifteen thousand dollars by said village, and against the issuing of the bonds of said village therefor.

NOTICE IS ALSO HEREBY FURTHER GIVEN that the said question called and provided for in and by said resolution and for the objects and purposes named therein, and for the purpose of voting upon the said question therein provided to be submitted for the determination of the electors of the village of Birmingham, will be held in and by said village at the council room thereof, on the ninth day of September next, and that the inspectors of said election shall conduct and canvass all the votes cast thereat and announce and report the result thereof, in the same manner, as near as may be, as ordinary charter elections are conducted, and the votes for village officers canvassed, announced and reported in said village.

That any elector desiring to vote at such election shall tender such inspectors a proper ballot, and whoever shall vote a ballot at such election on which are written or printed the words, "For Water Works Loan, Fifteen Thousand Dollars—YES," shall be deemed to have voted for the construction of such water works, and the borrowing of the said sum of fifteen thousand dollars by said village to defray the expenses thereof and the issuing of the bonds of said village therefor on the terms heretofore set forth. JOHN POUND & BRO.
Hereby announce to the public that they have made many changes recently in their store, as will readily be seen by all who visit them. The DRESS GOODS DEPARTMENT has been entirely reorganized and removed to the front of the store. With the removal numerous cuts in prices in well known dress goods have taken place. Our WHITE GOODS DEPARTMENT has also been changed in location, and many are the inducements held out to customers in this department also. A glance will suffice to show our friends the alterations we have made, all in their interest and for their great convenience, which we feel sure will be duly appreciated. The cuts in prices in the Dress Goods, Silk and White Goods departments are very prominent. The prices being the lowest ever quoted on goods being first-class, they sell themselves. An early call solicited. We remain, ladies and gentlemen, yours truly,
Pontiac, July 1, 1889. JOHN POUND & BRO.
