HELPFUL HINTS ON HAIR HEALTH.

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hatband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and makes the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and $1.00. Remember, you can obtain Rexall Remedies in Birmingham only at our store.—The Rexall Store. Chas. J. Shain.

"Dr. Miles' Nervine Raised Me From the Grave"—Mrs. Taylor

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.

"Dr. Miles' Restorative Nervine raised me from the grave and I have much confidence in it. I can never say enough for your grand medicines. If anyone had offered me $100.00 for the second bottle of Nervine that I used I would have said 'no indeed.'"
MRS. THOMAS TAYLOR, Blum, Tex.

Nervous exhaustion is a common occurence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began. For sleeplessness, poor appetite and that "run down" feeling, nothing is so good as

Dr. Miles' Nervine

Your nerves are your life and lack of vital energy makes existence a misery. Dr. Miles' Nervine will tone up your nervous system.

Ask any druggist. If the first bottle fails to benefit, your money is returned.
