"Michigan, My Michigan." And what it used to be thought fit for.

The following report of the Surveyor General of the United State to the
Dominishmer of the Land Office, of
their we have been kindly furnished
copy from the original document on
the at Washington, D. C., shows what
find of a country Michigan was
bought to be in the year 1815, and
office of the Country Michigan was
defined to the country of the country of the country

BRUMMITT,

The Photographer, SAYS

I have leased the entire upper story of the Crofoot Block for a term of five years and fitted it up in the most claborate manner, and furnished it with all the most perfection for the prediction of the most artistic pictures. I respectfully invite all my old cust-tuer and the public generally, to call and inverted my new quarters and if they do not thisly (after seeing them) that I have the best facilities in this country for making pictures, I will give it up and go to sea

Respectfully Yours,

W. H. BRUMMITT.
