# THE BIRMINGHAM ECCENTRIC

ONE DOLLAR PER YEAR IN ADVANCE.
WHITEHEAD & MITCHELL, PUBS.

BIRMINGHAM, FRIDAY, OCT. 26.

You can't measure a man by the things that move him.

Do what you think is right and don't worry about what other folks say.

A man's life never rises above its source, hence the need of being born above.

The French nation is about to erect a monument to its fallen soldiers on the field of Waterloo.

What a needless world this would be if women were as quiet all the time as they are when it comes to telling the truth.
