The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer $100 for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co., Toledo, Ohio. The Penalty for a Good Reputation

When an article has been on the market for years and has given complete satisfaction when used in thousands of homes it creates for itself a valuable reputation, yet at the same time this good reputation has its penalty.

Foley's Honey and Tar Compound enjoys a splendid reputation, for it has been used for three generations. Its fair name and high repute have created a demand for it, and to supply this demand at a greater profit imitations and substitutes are offered.

Purchasers who know the original cannot be fooled by any "just as good" offering and it is worth the effort of any one who wants a reliable cough syrup to insist upon the original and genuine Foley's Honey and Tar Compound, which has proven so valuable for the relief of coughs, colds, croup and whooping cough.

The Rainy Day Will Come

In the sunshine of youth mark well what we say! let the precepts of SAVING prevail for providence foregathers fate's storm from the sky when the "RAINY DAY" reckonings assail! The pathway is plain, to the "temple of gain;" and once trod, you will wisely forsee; that SAVING and ECONOMY are the pathfinders of wealth, and "ill luck" hasn't even a plea.
