QUESTION ANSWERED.

Yes August Flower still has the great sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the liver, stimulate the nerves and promote action of the system. And they knew they took when for headache, and dizziness with headaches and other ailments. You need but few doses of August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles free. Whitehead & Mitchell's.

SCHOOL SUITS

A collection gathered to satisfy two particular classes of people—the boy himself and another who supplies the money. Of course, we need to have the greatest quantity of Boys' Clothing and the most styles because there are more demands on us than the other dealers enjoy, and we are called upon to satisfy all classes of trade. This gives us a tremendous advantage in buying—just as flour comes to you cheaper by the barrel than by the single pound.

Choose at whatever price appeals to you, with the absolute assurance that the goods cannot be duplicated at any other store in this city for the money. And if they don't stand the service test to your satisfaction bring them back. Our guarantee is worth something.

At $5.00: Two-piece Suits, sizes 8 to 16 years. Fifteen styles, including blue and black unfinished Worsteds and Cheviots, blue Serges, black Clays, fancy Worsteds and attractive patterns in Scotch Cheviots and Tweeds. High class style and extreme durability combined. Better suits for the money are not possible.

At $3.50: Two-piece Suits, sizes 8 to 16 years. The style and quality stamp them as regular $5 values. Blue and black unfinished Worsteds, fancy Worsteds and small checks in Tweeds and Cheviots; all wool fabrics. Pants have double seat and knees. You'll like these Suits at first sight, but it will take you a year to find out how good they are.

At $2.50: Two-piece Suits, sizes 8 to 16 years. The neatest, best fitting and most serviceable suits ever placed on sale at the price. Made up stylishly of cream and solid materials; blue and black Cheviots and handsome dark mixtures. Pants, double seat and knees.

AND, bear in mind, we have very complete stocks of everything else that boys wear. See us about the SHOES, the HAT, the FURNISHING GOODS.
