Early Everette and early Querrus seed potatoes for sale by Web Bray. 2t

Sam Opper, with Hurst's New York Journal, called at this office on Tuesday last.

An adjourned meeting of the Birmingham cemetery society will be held at the library rooms Saturday afternoon, Apr. 25, at 3 o'clock. M. Baldwin, secretary.

New potatoes, this year's growth. A well known resident of this burg raised them in his cellar, and he don't want his name mentioned for fear he will have more orders than he can fill.

Mr. Warren Brown, our own Brownie, started for Manitoba about ten days ago to seek a new location and a fortune in the Northwest. Brother Brown is home again and sings "Michigan, my Michigan," with fervor and great unction.

The regular meeting of the W. C. T. U. will be held Tuesday afternoon, May 5, with Mrs. Trumble. It is to be a mothers' meeting and reception to new members. Coffee will be served. A special invitation to all mothers and all lovers of temperance to meet with us. By Order of President.

Notice has just been received of a change in the dates of Evangelist Edith L. Peake. On this account it has been decided to postpone indefinitely the special meetings announced to begin in the U. P. church next Sabbath, April 26. The pastor, instead of Mrs. Peake, will preach at the usual hour.

There will be a chicken pie social held at Masonic hall, on the evening of May 12, for the Masons and their families, under the auspices of lodge No. 41, F. and A. M. Let no member be guilty of being absent. D. M. Johnston, David Doty, G. H. Satterlee, Web Bray, A. Whitehead and Will W. Masters, committee.

The air tank or boiler that holds air to fill the car brake cylinders on the passenger cars, exploded at Rochester last Saturday. A milk car with no one in it, standing on the track over the boiler was completely demolished and had it been a passenger car with its usual load, the loss of life would have been terrible.

A silver medal contest will be held Wednesday evening, at 7.30, April 29, at the M. E church. Contest will be held by Prof. Field and six boy students as contestants. Good music and an elocutionist from Detroit will help to make the meeting one of great interst. Come everybody and bring your friends with you. Mrs. Trumble and Mrs. Fuller, superintendents of the medal contest.

The Y. M. C. A Glee club of Detroit will give their concert as advertised, at the Baptist church to-night, Friday, April 24. The Mandolin club will also be present and take part in a long and varied program. Mr. Wm. Johnson, the impersonator, and the Cynthian Male Quartette are coming too. All are invited to enjoy this high classed entertainment.

The wanderers have returned. Arrived in Birmingham last Saturday, direct from California, Mrs. Bartram, well and happy, having had a most delightful winter, without an unpleasant event to mar its brightness. A little later Miss Mattie Baldwin arrived, and both of the ladies declare "we never had a better time in all our lives." Glad to go and glad to get back again, and all their friend are of the same mind.

Mrs. Wm. J. Loder, of Lapeer, Mich., announces the marriage of her daughter, Miss Gertrude, to Mr. Edmond Wilkes McClure, Tuesday, April 14, '03. Miss Loder will be remembered as a teacher of our school two or three years ago. Since then she has been a most successful teacher in the Central High School of Detroit and when her resignation was handed in all the teachers gave her a rousing farewell reception which was enjoyed heartily by all. Congratulations.

Lost—A pair of gold-bowed spectacles. Finder please leave at this office.

Drunk and disorderly was the charge against Eugene Poole in Justice Doty's court on Tuesday morning last. Many complaints have been made against Poole in the past, but no one wanted to swear out a complaint, and last Monday night the village council was called upon to take action in the matter or show cause why they should not. Messrs Johnston and Parks promptly came to the rescue and swere out a warrant for Poole. Marshal Mudge arrested him, but instead of getting out of his buggy he whipped up his horse and was soon out of the marshal's jurisdiction. Deputy Sheriff Crouch was called and went after him, and Pool was soon an inmate of the village bastile. He was arranged before Justice Doty, Monday morning, plead guilty and, owing to his previous record and his behavior on the night of his arrest, he was fined $20 and $10 cost, or sixty days in the county jail. He settled, and if he remembers the words of Justice Doty and heeds them, he will probably stay sober for some time. Let us hope so.

How to Ward Off an Attack of Rheumatism.

"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Mar. Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment."

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by the King's New Discovery for Consumption. Nothing Like Experience.

"One truth learned by actual experience does more good than ten experiences one hears about." Tell a man that Chamberlain's Colic, Cholera and Diarrhoea Remedy will cure cholera morbus, and he will most likely forget it before the end of the day. Robbed the Grave.

A startling incidnrt, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. Know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed by Whitehead & Mitchell's and Cobb & Cobb's drugstore.

BLOOD POISON

On account of its terrible effects, blood disease is called the king of all diseases. It may be either hereditary or contracted; so while it may not be a crime to have the disease, it is a crime to permit it to remain in the system. It may manifest itself in the form of Scrofula, Eczema, rheumatic pains, stiff or swollen joints, itchiness of the skin, eruptions or blotches, sores in the mouth and on the tongue, sore throat, falling out of hair, disordered stomach, and a general depression of the system. If you have any of these symptoms don't neglect yourself. You have no time to lose. Beware of "old fogy" treatment—beware of mercury and potash. Beware of Quacks and Fakirs. OUR NEW METHOD TREATMENT is guaranteed to cure this disease, never to return. Blank Book will convince you. Our treatment is not injurious in any way, but reaches the very root of the disease and eliminates all poison from the system. The symptoms of disease gradually disappear. The blood becomes pure and enriched, the whole system is cleansed and purified, and the patient feels and knows he is free from the disease and the pleasures of life.
