Albert Henry and sister, Miss Henry, of Detroit, were pleased visitors at the summer home of Mr. and Mrs. J. H. Wendell the past few days. Saturday evening our Village Marshal gathered in one of Birmingham's best mechanics while in the act of choking his wife. The man was later released on his promise to behave, and out of respect for his family THE ECCENTRIC suppresses his name. But a repetition of the offense will call for a first-page story. Better cut out booze entirely if you cannot retain your manhood otherwise.

You will notice the lean appearance of this paper this issue, the fact is, every one has gone to the big State Fair this week almost every day. We got our share and can say that the enterprise is the best ever yet in the w of fairs, the attendance has been phenomenal and the profit side of the ledger must be pleasing to look upon by President Postal as well as all the rest of the officers down the line.

The village of Birmingham is going to take a big start in growth and the effects will be seen in the building up on lots bought at the big sale tomorrow. Mr. Buell has paid out over $500 in grading and making new streets, cement walks and improved his lots a thousand dollars worth. You can get this benefit if you are wise and attend the great Buell sale; conducted by O. Wardell & Sons, tomorrow, Saturday, in the after noon. Let's all go.

Rev. O. Soule, a Seventh Day Adventist, will deliver a sermon at the Advent church every evening this week beginning Wednesday evening. His subjects are especially interesting and all are invited to attend. His subject for Friday night is not known but on Saturday night he will talk on "The Eastern Question." During the time of the Russo-Japan war, Rev. Soule prophesied that Russia would be forced to surrender and as we know, this proved true. Russia's next move is now absorbing much his attention. For these reasons "The Eastern Question" will be doubly interesting.

Mrs. Mary F. Cooper, assisted by Mrs. Fannie Shain and Miss Mattie Baldwin of Merrill St. entertained a very happy party of elderly ladies on Friday, last. Guest of honor was Mrs. Sarah Adams, of Elgin, Ills., who has returned to her western home after a years visit with Miss Mattie Baldwin. The tea party was made up of near neighbors and old friends of both Mrs. Adams and Mrs. Cooper. Among the participators were, Mrs. Addie Andrews, of Pontiac, Mrs. Caroline Utter, Mrs. N. M. Corey, Mrs. Electa Keyes, Mrs. Mary Bloomberg, Mrs. Cornelia Smith, Mrs. M. J. Curtis, Mrs. Hulda Miller, the Misses Post, Esther Swan and Mrs. J. H. Snow.

A reunion of the class of 1906 was held last Thursday evening at the home of Miss Aggie Herbison, in Troy. Every member of the class was present except one boy, all the girls remaining loyal. The evening was pleasantly spent in music, recitations, and refreshments which were served in a most tastefully decorated dining room. The walls and ceiling were prettily draped with red and white bunting, which also composed the curtains. The class motto was conspicuous in red letters arranged upon a white background, and every thing tended to prove the loyalty and ingenuity of the hostess. Before the evening was over arrangements were made to hold the next reunion at the home of the Misses Davenport.

"The Most Attractive Thing in Flour"

Is its perfect purity. And we can guarantee our S. & B. Flour to be that always. It is milled from the choicest selected hard wheat, and there is nothing else in it. Consequently it has excellent baking qualities and yields bread that makes the mouth water, while it pleases with its fragrance. And the bread made from this Flour is highly nutritious, consequently it goes farther than ordinary Flours which cost you as much.

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

REGIMENTAL REUNIONS AND 43RD ANNIVERSARY BATTLE OF CHICKAMAUGA,

Chattanooga, September 10-20, 1906.

On September 18, 1906, will occur the 43d anniversary of the Battle of Chickamauga. It is proposed to celebrate this memorable event with a reunion of the various regiments that participated in this memorable battle and the various battles fought around Chattanooga. This reunion will be held at Chickamauga National Park, September 18, 19 and 20, and the present indications are that it will be the largest and most notable gathering ever held in the South. On the above dates, the remnants from the armies of 12 states, comprising the following: Pennsylvania, Ohio, Michigan, Indiana, Illinois, Wisconsin, Minnesota, Iowa, Nebraska, Missouri, Kansas and Kentucky, will assemble, many for the first and last time since they marched from its blood-stained fields, 43 years ago.

Here is one of the great opportunities for the education of the youth. Don't fail to take your children and show them Historic Chattanooga, with all its historic connections. It is the opportunity of a lifetime. Go and see the old war generals and other officers point out the places of interest on the battlefield; et them show you and explain, in person, the markers erected in the battlefield showing the positions of the opposing armies at the time of battle. It will not be long until none will be left to do this noble work.

It will be many years, if ever again, that such an opportunity will present itself. See that your tickets read via the Louisville & Nashville R. R. the Battlefield Route. Call on your nearest railroad agent for rates and advertising matter pertaining to the reunion, or write nearest representative of the Louisville & Nashville R. R.
