HOME NOTES

Auctions are ripe! John and Bernard Clinton, proprietors, in Southfield, will have a cleaning out sale, Thursday, March 4th. next. M. H. Blunt, auctioneer. See full bill in another column of this issue.

That pleasant faced smiling young man passing out cigars is C. D. Dickinson and the reason is the safe arrival of a fine eight pound boy at his home, Elmcrest. The young man arrived the 20th and all is well.

Tramps, no doubt it was, who entered H. A. Poppleton chicken house last Saturday night and stole 18 of his choicest fat Plymouth Rocks and made a safe getaway. They were tracked about three miles north of the village but escaped.

The annual meeting of the W. C. T. U. for the election of officers, will be held at the home of Mrs. W. I. Deir on March 4, at 2:30. Members are requested to attend and bring a friend. A special program will be prepared and light refreshments served.

Friday evening, March 5 next, Ye Old Folks concert will be repeated. Any who have never heard this concert can't afford to miss it and all who have heard it will want to hear it again. The progham will contain new songs and recitations. Price 15 cents.

One of the biggest auction sales of the season is ahead and coming. We refer to the sale of Wm. Perkins Tuesday, March 2, next. M. H. Blunt will do the selling. Charles Baker will be clerk and you get a big lunch at noon. Read the full bill in another column in this paper.

Five young ladies who are working hard to earn experience money for an experience social to be given in the near future by the L. O. T. M., O. T. W., gave a dancing party last Wednesday, Feb. 17. A good crowd was in attendance and all seem to have saying they had had the best time.

Talk about enjoyment. You ought to see Mr. and Mrs. Bert Buell enjoying life at Palm Beach, Florida, basking in the warm sunshine, while we poor Michigan people are just dividing our time twixt shovelling coal and snow. And Bert, pitch in, we are "wid yez" in mind if not in body.

M. M. DeGraff, superintendent of schools, Ottawa county, was the welcome guest of Mr. and Mrs. I. N. Baker for a few days last week. His visit was a surprise and most heartily enjoyed by all. He took in the Blue lodge and says he never met a more hospitable lot of Masonic friends in all his life.

The Hartford fire insurance company has paid $117,000,000 and the Ætna accident $172,000,000 in losses since 1794. These are old, strong, reliable companies, also the German-American. All stock companies. No assessment. Fire, lightning, tornadoes, accident and sickness. J. A. Bigelow. The oldest agency in Birmingham.

Auction sale of Will Austin, proprietor, on the premises at Starr's corners, two miles north of Royal Oak on the Flint division of the D. U. R., Friday, March 5, at 1 o'clock p. m. sharp. One lay colt 4 years old, one red cow, chickens, bees, several tons of hay, oats, corn, buckwheat, harnesses, farming tools and everything to clean out. M. H. Blunt, auctioneer, Waldo Blunt, clerk. Terms easy.

Mr. A. C. Altman, manager of the Michigan Basket Company, (manufacturers of all kinds of split baskets, berry and bushel boxes, climax grape, melon baskets and egg crates has just appointed James W. Cobb, druggist and grocer, Jobber for this district. Farmers, berry men and all basket users can now buy these baskets from Mr. Cobb, cheaper than at wholesale in Detroit. Watch Jim when you are needing baskets.

It is almost a settled fact now that the Morrison Printing Co., of Detroit, will build and locate their large printing plant here. A goodly portion of the amount of stock required has been either subscribed or promised, but let us all put a shoulder to the wheel, and make sure of it while it is within our reach. The large contracts which they have been working on during the past year, have been voluntarily renewed by the companies for whom they are doing the work, and with an enlarged plant they will be able to secure many more of the same nature. Just a little patriotism to the town, (which will be in the shape of a secured 8 per cent investment at the present time would mean the securing of this institution, employing about 38 people. What will you do? It is open for investigation, and has been examined by a representative committee from this village who vouch for it.

This year a million robins have been shot in the south. This means agricultural murder for the north. Every robin is worth its weight in gold to the farmer.

Mrs. Clara Simpson had a slight stroke of paralysis Sunday last. She has recovered quite a good deal and the family are very happy over it. Her right side was affected.

The 'Record Journal published at or in Douglas Co. Colo. has the following to say of our old friend, Mr. Phillip H. Durkee, of Larkspur, Colo. Phil's many friends here will be pleased to know that he is prosperous and happy. The article reads; "Phil Durkee, who recently erected a new place of business in front of his residence, reports that everything is now in good running order, and he can accommodate every one who is looking for a place to obtain soft drinks, lunches or cigars. He has very commodious quarters, nicely arranged, with plenty of light and lots of hospitality, and it is needless to say that everything is in apple-pie order. His place of business is very conveniently located for people traveling overland and also for anyone stopping off at the Rio Grande depot.

So'dier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed, a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma, and to prevent pneumonia it's unrivalled. 50c and $1. Trial bottle free. Guaranteed by James W. Cobb and Charles J. Shain.

Ha-San Rheumatic Remedy

We want a letter from every man and woman in America afflicted with Rheumatism, Lumbago or Neuralgia, giving us their name and address, so we can send each one a *trial treatment* of our Rheumatic Remedy. We want to convince every rheumatic sufferer at our expense that our Rheumatic Remedy does what thousands of so-called remedies have failed to accomplish—*actually cures Rheumatism.* You cannot *coax* Rheumatism out through the feet or skin with plasters or cunning metal contrivances. You cannot *tease* it out with liniments, electricity or magnetism. You cannot *imagine* it out with mental science. *You must drive it out.* It is in the blood and you must *go after it and get it.* This is just what Ha-San Rheumatic Remedy does and that is why it cures Rheumatism. Rheumatism is Uric Acid, and Uric Acid and Ha-San Rheumatic Remedy cannot live together in the same blood. *The Rheumatism has to go and it does go.* Our treatment cures the sharp, shooting pains; the dull, aching muscles; the hot, throbbing, swollen limbs, and cramped, stiffened, useless joints, *and cures them quickly.*

A FULL TWO-WEEKS TRIAL TREATMENT

We want you to try Ha-San Rheumatic Remedy to learn for yourself that Rheumatism can be cured, and we want no profit on the trial, a fair test is all we ask. If you find it is curing your Rheumatism or Neuralgia, order more to complete a cure and thus give us a profit. If it does not help you that ends it. We do not send a small sample containing only a few tablets and of no practical value, but a full two-weeks treatment. *You must send us 25 cents* to pay postage, mailing, and packing, and this full two-weeks treatment will be promptly sent to you free, everything prepaid. There will be *nothing to pay* on receipt or later. Don't wait until your *heart valves* are injured by Rheumatic Poison, but send today and get a two-weeks treatment free. Only one free treatment to a family, *and only to those who send 25 cents for charges.* For sale by first-class druggists or
