A wag makes oil king his heir. Duly signed and executed on March 5, 1906, the will of John Crom, formerly of Shamong township, New Jersey, has been found, a clause of which reads as follows: I, John Crom, do hereby give and bequeath all my real estate and personal property, horses, cattle, gold mines, farms, railroads, steamships, canal boats, telegraph lines, oil wells, ocean cables, airships, cranberry bogs, cattle ranches, automobiles and also my castles in Spain, also my castles in the air, to John D. Rockefeller, providing he can find them.

Miss Marcia Richardson, of 42 Washington street, Pontiac, sister of Gen. F. B. Richardson, of Civil War fame, met with a serious accident at Stout's Memorial library, Pontiac, Feb. 22, as she and her niece, Mrs. Helen M. Woodruff, were going into the hall where the G. A. R. annual party was to be held. In going down into the room a two step down in the dark seemed to be but one. In taking the step Miss Richardson fell, following a similar fall of her niece, breaking her right leg at the hip, within the capsular cavity, so breaking the capsulor neck of the bone, the worst possible break to recover from. Miss Richardson is 80 years of age, thus adding to her chance of ever getting a proper use of her limb, if ever her vitality, which is large, assists her recovery. She is a great sufferer at times, as the break cannot be held in place to any advantage.

Those who were in attendance at the meeting of the January club last Friday evening, report a most enjoyable time. As is customary, the amusements of the evening were pedro and dancing. The early part of the evening was given over to progressive pedro, and the following are the ones who succeeded in winning the honors. Ladies first prize, a large glass fruit dish, was awarded to Mrs. George Dawson, and the consolation prize, a glass candle stick containing a lighted candle, will undoubtly illumine the way so that Mrs. Tapson can win higher honors at the next meeting, which occurs Friday evening, March 5. Mr. E. Randall was the happy winner of the gentleman's first prize, a fancy vase, while George Dawson succeeded in capturing the consolation prize, a decorated ash tray. Supper was served at 11 o'clock and too much cannot be said of the menu, which was very elaborate. Dancing was then indulged in until an early hour.

Mr. E. D. Tapscott, of Russellville, Ky., a Conductor on the Louisville & Nashville R. R., under date of April 10, 1903, writes:

"As I have tried all the remedies that have come to my notice (and I must say without one particle of relief) I could not resist giving Floyd's Dyspepsia Tablets similar consideration, little dreaming of the benefit I was to receive. Truly the result was almost magical. I began to have a tremendous appetite, and the strange thing is that what I eat I enjoy and without any distress. My physician told me that my trouble was Chronic Catarrh of the stomach superinduced by acid fermentation. Floyd's Dyspepsia Tablets correct this for me as no other remedy or treatment ever did. I am now using my fourth box, and am not likely to be without a box in the house as long as they can be had. I shall also tell my friends, as I feel very grateful for what they have done for me."

We want to convince every rheumatic sufferer at our expense that our Rheumatic Remedy does what thousands of so-called remedies have failed to accomplish—*actually cures Rheumatism.* You cannot *coax* Rheumatism out through the feet or skin with plasters or cunning metal contrivances. You cannot *tease* it out with liniments, electricity or magnetism. You cannot *imagine* it out with mental science. *You must drive it out.* It is in the blood and you must *go after it and get it.* This is just what Ha-San Rheumatic Remedy does and that is why it cures Rheumatism. Rheumatism is Uric Acid, and Uric Acid and Ha-San Rheumatic Remedy cannot live together in the same blood. *The Rheumatism has to go and it does go.* Our treatment cures the sharp, shooting pains; the dull, aching muscles; the hot, throbbing, swollen limbs, and cramped, stiffened, useless joints, *and cures them quickly.*

A FULL TWO-WEEKS TRIAL TREATMENT

We want you to try Ha-San Rheumatic Remedy to learn for yourself that Rheumatism can be cured, and we want no profit on the trial, a fair test is all we ask. If you find it is curing your Rheumatism or Neuralgia, order more to complete a cure and thus give us a profit. If it does not help you that ends it. We do not send a small sample containing only a few tablets and of no practical value, but a full two-weeks treatment. *You must send us 25 cents* to pay postage, mailing and packing, and this full two-weeks treatment will be promptly sent to you free, everything prepaid. There will be *nothing to pay* on receipt or later. Don't wait until your *heart valves* are injured by Rheumatic Poison, but send today and get a two-weeks treatment free.
