"Is the universe, including man, evolved by atomic force?" was the subject of the lesson-sermon in all Christian Science Churches on Sunday, June 21.
Among the citations which comprised the lesson-sermon were the following from the Bible: "But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up." (II Peter 3:10).
The lesson-sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Material substance, mundane formations, astronomical calculations, and all the paraphernalia of speculative theories, based on the hypothesis of material law or life and intelligence resident in matter, will ultimately vanish, swallowed up in the infinite calculus of Spirit" (p. 269).

Music Overlooked By Modern Culture, Club Speaker Says

The decadence of musical culture in the present age was deplored by Eddie Edwards, Birmingham musician, in a talk before the Birmingham Lions Club at its regular noon meeting yesterday.

He said that modern civilization has a comprehensive knowledge and deep appreciation of every form of art but music, and declared the world has been without a single great composer for the past 100 years.

He also described the life of Mozart and illustrated his talk with several piano solos.

Fourteen members of the club were awarded white gold lapel buttons at the meeting for perfect attendance during 1930-31. They were:

F. G. Burnett, Grover Cook, Howard D. Crull, Carl Eley, E. T. Engel, D. A. Green, Dr. John H. Hasbrouck, G. Dewey Kimball, Maurice B. Kimmins, Walter L. Moreland, Claud Morrow, Eugene Parmenter, Raymond Peck and Floyd Swayze.

New officers of the club will be installed at the next meeting.

OBITUARY

Funeral services will be held Friday for Mrs. Lucille Tooley Anderson, 860 Ridgedale road, who died Tuesday afternoon at her home following a prolonged illness. Mrs. Anderson had been a resident of Birmingham for 18 years, coming here to live from Durant, Mich. She graduated from Baldwin High School in 1915, later attending Detroit Teachers College.

Surviving are the husband, George R. Anderson; two brothers, Earle of Detroit and Leon of Wayne; and two sisters, Mrs. Maud Schneider of Venice, Cal., and Mrs. Bertha Seal of New York City.

Intombment will be in White Chapel Cemetery. The funeral will lie at the S. O. Wylie Bell Home for Funerals here until Friday morning. Clarence J. Whitley, Second Reader of the First Church of Christ, Scientist, Birmingham, will conduct the services.
