BIG U. OF D. GAME JAN. 5

After a two-weeks' holiday vacation, University of Detroit will return to the basketball wars Saturday against the highflying Toledo Rockets. Game time is 8 p. m. at Lincoln Gym, Nine Mile road and Livernois. The Titans will be after their fourth victory of the season, having already disposed of Hillsdale, Michigan Normal and Western Ontario. Sole loss to date was a 51-34 setback at the hands of Illinois.

HOT AND COLD OILS

Synthetic oils that flow at temperatures as low as 121 degrees below zero have been developed by industry's research scientists. They can likewise be used at temperatures up to 302 degrees above zero without oxidation or sludging.

Michigan History in Pictures

At Detroit the missionaries came upon a heathen spirit stone, or idol.

Plagued by bad luck, they broke the idol and threw it into the river.

They fired a gun nearing the Jesuit fort, Sault Ste. Marie, May 25, 1670.

Galinée was first to chart fairly lower Lake Huron and Erie's north shore.

"God" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 6.

The Golden Text (Rev. 1:8) is: "I am Alpha and Omega, the beginning and ending, saith the Lord, which is, and which was, and which is to come, the Almighty."

Among the Bible citations is this passage (Deut. 6:4, 5): "Hear, O Israel: The Lord our God is one Lord: And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 275): "The starting-point of divine Science is that God, Spirit, is All-in-all, and that there is no other Might nor Mind,—that God is Love, and therefore He is divine Principle."

A Big Step Forward

To three-year-old Joseph Lee of Boston, Mass., this is the biggest step of his life. Recovering from a crippling attack of infantile paralysis at Children's Hospital, little Joe is shown starting the long road back to active health with the help of physical therapist Deborah Kinsman and a pair of miniature crutches.

Your contribution to the annual March of Dimes, conducted by the National Foundation for Infantile Paralysis, will help thousands of others like Joe receive the best available treatment.
