Kick-Off Dance Held at Vaughan

Students at Bloomfield Hills High held their first all high school party at the school last Friday night in the form of a Kick-Off Dance.

Celebrating the afternoon's football victory over Waterford, the students danced, ate doughnuts and drank cider, and admired the auditorium which was decorated with pennants and other football inspired materials.

Proceeds went toward the fund for the Hillcrest, which faced the year with a deficit. Sponsors conducted an auction as part of the program, and were pleased to find that at least 50 per cent of the deficit of the annual was raised.

Sharon Jones and Woods Procter headed the student committee which planned the dance. Miss Shinn and Mr. Ollis were the official chaperons.

Navy Man Benefits from Resumption of Peacetime Practice

Earl Eugene Stephenson, chief boilerman, USN, of 572 Stanley ave., Birmingham is serving on the destroyer USS Putnam which has just been awarded the Battle Efficiency Pennant and "E" for her general excellence throughout the fiscal year July 1, 1947, to July 1, 1948.

The award is a competitive one, based on overall battle efficiency. Each department of the ship is graded to determine the vessel's final mark in the competition.

The pennant is a red triangle with a black circle in the center and is therefore termed a "meatball". In addition to the "meatball" each enlisted man having served on board the Putnam for at least six months of the competition year is entitled to wear an "E" on the sleeve of his uniform and receives a cash award as well. This is an old peacetime practice in the Navy revived with this recent award.

Winner, Fourth National A.A.A. Traffi Safety Poster Contest

DETROIT, Sept. 30—All pedestrians should heed the October AAA safety poster being distributed to all Michigan elementary schools now by Automobile Club of Michigan. Almost 9,000 copies of the poster will be used in Michigan along with 25,000 AAA traffic saftey lessons for elementary grades.

Five reasons why the rule "Keep From Between Parked Cars" should be observed are given by Ernest P. Davis, Auto Club safety and traffic director. They are:

Ignoring it violates traffic laws.

Pedestrians may not see approaching cars.

Pedestrians are crossing without aid of traffic signals or policemen.

Motorists do not expect pedestrians to appear from between parked cars.

Motorists drive more rapidly in mid-block and may not be able to stop quickly.

Your Most Important Right

Now that the bandstand has been painted, and the park re-landscaped, we have about the nicest village green in the county.

And it's all because, at the last town election, folks got out and *voted*—85 per cent of them! That was they passed the amendment calling for park improvements—over those opposing it.

Reminds you again how important the right to vote is in this country. And it's a right we can retain only by exercising it . . . like all the other individual liberties—from freedom to enjoy a glass of beer or ale, to a woman's right to vote along with men.

Folks can thank *themselves* that on summer evenings they'll be able to listen to band concerts in a well-kept park . . . enjoying a bottle of beer or soda pop (whichever they prefer). Because from where I sit, that's a freedom they've *earned* by exercising a still more important freedom: Voting!
