Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer $100 for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co., Toledo, Ohio. THE ROYAL OAK BAND.

Mr. H. E. Richards of Royal Oak is making arrangements by which this famous organization will give a weekly concert at Birmingham on every Thursday evening of each week until the season closes. Mr. Bichards is a musician of great ability, a leader of men generally as well as men in a Band, and that means a great deal. Subscriptions are being made by Birmingham merchants and others interested and the amounts already put down show that Birmingham merchants are alive to the good of this proposition. The amount needed is nearly sufficient and no doubt the remainder will come right along. The band is making good every way. Their music is good. Their prospects are bright, thanks to Mr. Richards, and among the players there is that good feeling that brings out the best results. As men and musicians they work in unison.

A Proud Man

Is one who holds the lines over a spirited team. Harvell's Condition Powder puts spirit into a horse that is run down and in poor condition. Put a little in the feed for a few days and note the improvement. The frame gradually fills out with firm flesh, the coat becomes smooth and glossy and the run-down animal soon shows the vigor and spirit of a colt. Price 25c. Sold by Cobb-Stanley-Harfis Co.—Adv.

Monday of this week the door bell rang at Bigelow's Bungalow going to the door, "By Hen John how are you" were the first words uttered by Lieut. Sam'l N. Brownson of the 5th Mich. Cav. "Say Capt. John I have come all the way from Kansas to shake that good right hand of yours, and here is Lieut. Barbour who says dinner is all ordered at the Hotel, Hard Tack and S. B. and we are to illustrate to any inquiring people, that there was no use of having near as many men to put down the Rebellion, if they had been well acquainted with us, Oh dear John, I cannot stop to call you Captain though all the Old Raiders of the 5th know you ought to have been Major, and would have been if you had been there and not laid up with a minnie bullet in the elbow that smashed your arm all to smithereens, but that's 50 years ago so let's skip the criticisms of Col. Hastings and just visit. I went to Kansas after the war, raised a family of seven girls and now tell me what you have done.

Wanted His Body Above Ground.

Not so very long ago there died, in the north of England, a farmer who left instructions that his body should be put into a coffin, and then placed in the loft of one of the barns on the farm premises. It was done, and will probably remain there for generations
