SMOOTH WHITE SAUCE IS UNIVERSAL BASE

Everyone has at some time in life known a really superb cook. If you know more than one, you are indeed fortunate; and it just might be that you are one of these people yourself. Cooks perform their magic with a minimum of pots and pans, the simplest of ingredients and plenty of imagination. One kitchen magician I know says she starts off with a white sauce and continues from there. A good basic white sauce can go on to be cream soup or a base for the casserole. It can be gravy or the difference between plain green beans and Green Beans Parisienne. Let's start with the white sauce itself, remembering that the magic is in the choice of ingredients. You use Keyko Margarine as a spread, have Keyko on the table and use it for baking. Make the white sauce with Keyko, too!

Melt ¼ cup Keyko in saucepan over low heat
Blend in ¼ cup flour
Gradually add 2 cups milk

Always use low heat or make the sauce in a double boiler to keep the delicate Keyko flavor. Use a large spoon for blending the flour and keep stirring as you add the milk. When thickened, keep the sauce hot over boiling water. Add salt and pepper as needed, of course. 2 cups cooked, diced potatoes, 1 tbsp. chopped chives and a little more milk makes potato soup. Slice up some sharp cheese in the sauce and pour over cooked macaroni for a casserole. For gravy, simply add the basic sauce to the pan drippings after the roast has been removed. Put a little curry powder in the sauce and serve on left-over lamb curry. Those beans? The white sauce, plus ½ cup chopped onion and a small can of drained mushrooms with cooked green beans. The white sauce must be smooth which means stirring constantly and you must start with the best ingredients, which simply means using Keyko Margarine. You supply the imagination yourself.

BETTER TASTING
better for you

Here's how to get even the fussiest members of your family to eat all those vitamin-packed vegetables. Use Keyko Margarine to add fine flavor, satisfying richness and extra goodness to everything you cook and bake.
