

WHITTING.

"MORAL PORTRAIT."
The father boy, before he went to school,
Well knew the importance of that motto,
The pocket book he took with him,
The pocket book he took with him...

RECIPE TO MOTHER'S PROPHY

To get rid of a cough and to cure a cold,
To get rid of a cough and to cure a cold,
To get rid of a cough and to cure a cold,
To get rid of a cough and to cure a cold...

NEON EXPERIMENT.

"Well, if there's anything I hate,
It is this being eternally bound
To a woman, it's coming to me,
And to do this morning till night,
One might as well be a galley-slave...

THE GOVERNOR'S MESSAGE.

"Let me explain a little. You have
found me directed because you
saw my name on the list, and you
thought my name was law. But lately
you have been wrong in your view...

THE GOVERNOR'S MESSAGE.

"I desire to call your attention to another
feature of the message, the manner
in which the Governor has directed
the work of the State Fire Relief
Commissioner to the Governor, saying...

Fire Relief.

The report of the State Fire Relief
Commissioner to the Governor, saying
that he has been directed to make
the following general classifications:
Provisions and groceries; clothing and bedding...

Washington News.

The Star says: "There will be no
official report of the Senate committee
on the proposed bill to amend the
Treasury contingent expenses. The
committee will report by a majority of
seven shortly. It will exonerate Sherman
entirely. It will also exonerate
Sherman's associates..."
