ECZEMA!

THIS isn't one of those fake free treatment offers you have seen so many times. We don't offer to give you something for nothing—but we do guarantee that you can try this wonderful treatment, entirely at our risk, and this guarantee is backed by your local druggist.

This makes the offer one which you can absolutely depend upon, because the druggist with whom you have been trading would not stand behind the guarantee if he did not know it to be an honest and legitimate one.

Hunt's Salve, formerly called **Hunt's Cure**, has been sold under absolute money back guarantee for more than thirty years. It is especially recommended for the treatment of **Eczema**, Itch, Ring Worm, Tetter, and other itching skin diseases.

Thousands of letters testify to its curative properties. M. Timerlin, a reputable dry goods dealer in Durant, Oklahoma, says: "I suffered with Eczema for ten years and spent $1000 for doctors' treatments, without result. One box of **Hunt's Cure** entirely cured me."

Don't fail to give **Hunt's Salve** a trial—price 75 cents, from your local druggist, or direct by mail if he does not handle it.

"Raining Cats and Dogs"

Notes and Queries reproduces a letter which appeared in the Daily Express of London, giving an unusual explanation of the origin of the term "raining cats and dogs." It is a corruption of the word "catadupe," meaning a cataract, says the writer of the letter. (Bertram Cooper Cannock). The Greek Katadupoi—the cataracts of the Nile, from katarassopeo—to fall with a heavy sound. It is raining cats and dogs—it is raining cataracts.—Christian Science Monitor.
