Word has been received that Rev. W. C. McKnight of the First Presbyterian church, helped to make the beautiful pageant, "Light and Darkness" by Augustine Smith, a grand success when it was presented Monday evening in Chautauqua, N. Y. He took the part of the prophet Isaiah. There were about 200 participants in the performance, and it was presented before nearly 5000 people. The pageant was first presented by the author in Tokyo, Japan. It made a great impression for good in New York.

VILLAGE COMMISSION PROCEEDINGS

FIRST RESOLUTION ON FIRST ALLEY NO. OF LINCOLN AVENUE SEWER

Resolved, that it is the opinion of this board, determined that it is expedient and advisable that the sewer in the alley north and west of Lincoln Avenue be extended to the corner of the first Alley North of Lincoln Avenue from Watkins Street to Stanley Avenue, more particularly described as follows:

Beginning at the center of the last section of Watkins Street and first Alley north of Lincoln Avenue and running east approximately 300 feet to a manhole near Stanley Avenue.

Be it further resolved that all the lots and parcels of land fronting and abutting on the south side of said Alley as hereinbefore described will be benefited by said improvement and shall contribute a special assessment upon which a special assessment shall be levied to defray a portion of the expense of constructing said sewer, manholes, and house connections.

Be it further resolved that the Village of Birmingham shall bear 1/3 of the cost of that portion of said lateral sanitary sewer and that the lots and parcels of land described in said sewer assessment district shall be benefited to the extent of the cost of lateral sanitary sewer and that for and on the remainder of said improvement, according to the benefit derived therefrom and that the special assessments shall be levied upon the property.

Be it further resolved that the Village Clerk shall give notice to the interested and submitted to this Commission for its approval, a map and description of said sanitary sewer district for said special assessment district, showing the boundaries of division of the lands and premises within the proposed district and assigned of the divisions thereof, the same with proposed diagram and estimate of the cost and expense of constructing said sewer, manholes and house connections and laterals.

It is further resolved that the Commission direct the Village Clerk to publish in the Village of Birmingham, in accordance with Section 27 of Chapter 3 of the Charter of the Village of Birmingham, a notice of the proposed sewer and assessment district and a notice of a public hearing to be held before the Commission on the 21st day of August, A. D. 1922, at 8 o'clock p. m.

IF POLICE MUST CALL, THEN SOMEONE MUST PAY THE BILL

Detroiter Pays $40 This Week When He Might Have Been Let Off With $15.00 Fine

"Some people are willing to pay high for the luxury of having a policeman call at their homes," said Justice F. S. Buck yesterday. "There have lately been a number of speeders and other traffic rule violators, residents of other towns, arrested in Birmingham who, being short of money and allowed to continue their journeys upon promise to appear later, have felt themselves safe from police interference, being so far away, and have neglected to return. Last Tuesday a driver for the Red Star Transfer Company, David D. Mallady of Detroit, was arrested for speeding. He was permitted to go to his home and failed to appear later as he was told to do. We sent a deputy after him and he paid $40, if he had responded on time it could have cost him only $15."

The longest name registered on the police book this week is that of P. Rauhenstouhanec, Detroit, arrested for having no truck trailer licence. Justice Buck says perhaps the license clerk couldn't manage the name.

Mrs. Ada Ferguson and daughter, Catherine, with Mr. and Mrs. Arthur Lincoln, and their small son, have gone on a vacation to Hilton, Mich.

Miss Dorothy Wilson of Gilbert Lake, and Miss Irene Pleasser of Lake Orion, will join the group of Birmingham girls that leave this evening for a week at Walled Lake.

Weddings

Loomis—Hart

The marriage of Frieda Loomis to Melvin C. Hart will take place tomorrow in the form of a quiet wedding at the home of the bride in Grand Rapids. Miss Loomis has been the domestic science instructor in Baldwin high school for the past three years. Mr. Hart was principal of Baldwin high school last year. Mr. and Mrs. Hart will return to Birmingham in the Fall, where they will resume their teaching at the opening of school.

Houghtaling—Robinson

A very pretty afternoon wedding took place Thursday, August 17, at the home of Mr. and Mrs. T. C. Houghtaling of Merrill street, when their daughter, Lillian Irene, was united in marriage to Reginald R. Robinson of Rochester. While Mrs. Arthur Gould played the wedding march, the bride entered on her father's arm, followed by her maid of honor, Miss Marguerite Houghtaling, and the groom, attended by his brother, Edward Robinson. They took their places beneath a lovely white wedding bell, which was backed by large ferns. Miss Amy Baldwin sang "O Promise Me," preceding the ceremony, which was performed by Rev. David Curry of the United Presbyterian church. The bride was given away by her father, and little Jane Mudge acted as ring-bearer, carrying the ring in the heart of a lily. Following the ceremony refreshments were served, and the guests enjoyed watching the bride cut her beautiful wedding cake.

The bride wore a lovely gown of white georgette, and shadow lace, and her hair was becomingly entwined with pearls. She carried a pretty shower bouquet of white roses and lilies of the valley. Her maid of honor was charming in a gown of pale blue canton crepe, and she carried pink roses and lilies of the valley.

The house was very attractively decorated with quantities of garden flowers and ferns, while the ceiling was festooned with white bells and streamers. Mr. and Mrs. Robinson will make their home in Rochester.

McClure—Beach

One of the prettiest of the summer weddings occurred Thursday evening, August 17, at the Syndicate Cottage, southeast of Birmingham, when Miss Clara McClure of Birmingham, and Russell Beach of this village, were united in marriage by Rev. Charles McCurdy of St. James' Episcopal church. The bride was attended by her sister, Mrs. J. H. McClelland, as matron of honor, and Miss Thelma Morrow, as bridesmaid. Merrill Schlaack acted as best man, and J. H. McClelland gave away the bride, in the presence of about twenty-five friends and relatives.

The bride was very charming in a simple gown of white taffeta and lace. She carried a bridal bouquet of white roses. Mrs. McClelland wore cosma colored swiss, and Miss Morrow had a gown of green canton crepe.

The home in which the wedding took place is a delightful cottage in the country, which is owned by George T. Hendrie. The groom was born in this house, so that the place was of great interest. The delightful atmosphere of the house was carefully preserved through the decorations, which consisted entirely of huge bowls of wild flowers and berried branches. Following the ceremony a delicious lunch was served, and the proverbial wedding cake with the ring, thimble and bachelor button deeply concealed within, was cut by the dainty bride.

Mr. and Mrs. Beach will continue to live in Birmingham.

GIVE FAREWELL PARTY

Mr. and Mrs. Bert Noss entertained Wednesday evening at their home, 300 Baines street, at a farewell party in honor of Mr. and Mrs. Meryl Tayler and Mr. and Mrs. George Johnson, who are leaving Birmingham soon.

The entertainment for the evening consisted of cards and dancing. Late in the evening an elaborate lunch was served, and each of the honor guests was presented with a beautiful silver tray, given to them by the American Legion Auxiliary and the American Legion. The house was prettily decorated with yellow flowers and ferns.

ATTACKED BY MAD BULL

Frederick Anderson, employed upon the estate of A. W. Copland, Dodge road, Bloomfield Hills, was attacked by a mad bull, Sunday evening, while in the barnyard of the place, suffering a compound fracture of the left leg, severe bruises on the chest and was otherwise badly shaken up. For a time his injuries were thought to be very serious, but Dr. A. W. Newitt, who attended him, said Wednesday that Anderson's condition was improving, and that he was getting along as well as could be expected. Anderson is now at the Pontiac City hospital.

Grant M. Hudson, candidate for Congress from this district, will speak on the pending issues of the coming election, in the Methodist church, on the evening of Wednesday, Aug. 30. Special music will be arranged for, and a large attendance is expected.

H. P. Doying of Merrill street, will spend several days next week in Caro, Mich., with relatives.

Miss Estelle Reid of South Woodward avenue, is spending her vacation at Bay View.

He waited too long

LAST summer one of our customers looked at ARCOLA, the wonderful new hot-water heating-system with a radiator in each room—and we urged him to buy. But he said he'd wait *until Fall*. And before he would definitely give us his order, there was an ARCOLA shortage. So many people wanted ARCOLA, there weren't enough to go around. This man, with many others, was disappointed. *Right now* we have ARCOLAS on hand and more time to install them than we will have later on.

Install ARCOLA now at lowest prices

These approximate figures give you an idea of how economically ARCOLA can be completely installed to heat:—

3-Rooms ARCOLA with 2 radiators $ 185.00
4-Rooms ARCOLA with 3 radiators $ 250.00
5-Rooms ARCOLA with 4 radiators $ 310.00
6-Rooms ARCOLA with 5 radiators $ 375.00

Call or phone today for an exact estimate for the complete cost of placing ARCOLA *in your* home.

To keep the home cool in summer and warm in winter, use

CELOTEX INSULATING LUMBER

It is the correct insulating lumber because it resists heat or cold like a woolen blanket. Reduces your fuel costs one third, gives added strength to a building.

CELOTEX is a great utility lumber. Use it for sheathing, plaster base (to which all standard interior plasters form a perfect bond) or sound deadener.

It is lighter than lumber, though you saw, plane and apply it the same as lumber and is available in suitable sizes for all forms of building construction.
