DOUBLE WEDDING THURSDAY

Wood—Schlaack
Tracy—Tooley

Of unusual interest was the double wedding at the Baptist parsonage Thursday evening when the vows were spoken which united Ruth Wood, daughter of Mrs. August Wood of Birmingham, and Merritt Schlaack, son of Mr. and Mrs. Frank Schlaack of Bates street, and Dorothy Tracy, daughter of William Tracy of Willetts street, and Leon Tooley, in marriage. Rev. T. J. Edwards officiated.

Both brides wore dresses of canton crepe with hats to match and carried similar bouquets of roses and lilies of the valley. Miss Wood was attended by Mrs. Leland Johnson and Miss Tracy by Mrs. Russell Williams. Charles Boughner attended Mr. Schlaack while Mr. Williams was Mr. Tooley's best man.

After the ceremony, the bridal party and the only other two witnesses, Mr. Leland Johnson and Mr. William Tracy, had dinner at the Hotel Statler, Detroit. After spending a few weeks at Woodhull Lake, both couples will make their homes in Birmingham.

Pottinger—Russell

On Saturday evening, June 30, at the First Presbyterian church at Arlington, Ill., Miss Alvaretta Rosella Pottinger, youngest daughter of Mrs. Alice Pottinger, of that city, and Nelson V. Russell of Southfield, were united in marriage by Rev. Warren E. Hall, pastor of the First Presbyterian church, of Wyandotte, Mich., assisted by Prof. George H. Smith of Wheaton, Ill.

Promptly at eight o'clock, Miss Marion Gordon of Chicago, played the entrance march and during the ceremony rendered Jensen's Bridal Song. Just preceding the ceremony, Miss Desolee Chester, of Antwerp, O., sang "All Mine Alone."

The bride was very attractive in a moire taffeta trimmed in bridal lace. The bridal veil was cap-shaped and was caught with orange blossoms. She was attended by Mrs. Russell Hoyt of Pontiac, Mrs. Frank Meade Wods of Cleveland, Miss Bertha Anderson of Grainville, Ill., Miss Theresa Neil of Arlington, bridesmaids, and Miss Alice Pottinger, who was maid of honor. The groom was attended by Walter Dunn of Saratoga Springs, N. Y.

Following the ceremony, a reception for 150 guests was held at the home of the bride's mother. Mr. and Mrs. Russell will be at home after Oct. 1, where Mr. Russell is engaged as instructor in the history department of the University.

AN APPRECIATION

Dear Mr. Averill:

I enclose check as per notification card.

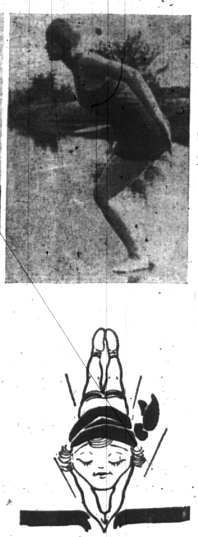
Had intended to bring it in before I left and say "to your face," as I have said to Mr. Mitchell and others, that you are writing some splendid editorials and that you are giving Birmingham a local paper superior to those in towns like ours and larger, and I have seen a whole lot of them in these United States.

Your stand on "Henry Ford for President!" is fine, and I am "with you" heart and soul. If Collier's straw vote means anything, the politicians will simply have to let him run, and if he does run it will be a "walk away," I think.

Hoping for the best and with kindest regards, I am

Yours cordially,
Ellsworth Plumstead.

LOCAL GIRL BREAKS RECORD



MISS FLORENCE McKINNEY

Gar Wood and his "Miss Detroit" would have a hard time keeping-up to this young lady when it comes to showing grace in the water. The young lady is Florence McKinney of 124 Baldwin avenue, and can be seen almost every evening swimming in Quarton Lake. She graduated from the Baldwin high school in 1922, and spent the past year at the Ypsilanti Normal College. She will complete her course in Physical Education next June, and then hopes to study medicine at the University of Michigan.

Why is her picture here? Not only because a pretty girl's picture will always liven up a page, but also because Miss McKinney broke two plunging records at Ypsi last year and was personally responsible for her college winning four of its five victories in the plunging event. Miss McKinney did little swimming before she entered Ypsi last year, but with less than eight weeks' training she was put on the Varsity team, and during the season she competed against Kalamazoo, Battle Creek, Grand Rapids, Ypsi Sophomores, and twice against Detroit Junior College. She won her event with the first four schools.

And as to records! She broke her own plunging record of 37 feet by going 48 feet, and later Miss McKinney broke the Ypsilanti tank record by plunging 52 feet 6 inches. The former record was 50 ft. 6 in.

Miss McKinney is spending the summer months with her parents, and in the evenings she teaches a class of eight boys and two girls the aquatic art. Lucky boys, did you say?

And, oh, yes; the Ypsi Athletic Association has given her a sweater and letter "N" and the swimming coach has given her a gold medal, in recognition of her ability.

MAN BADLY HURT

painting trees that had been trimmed the day before. They fastened a rope about the body of Brown, and in lowering him the rope slipped and he dropped about ten feet to the ground. His shoulder was fractured in the fall.

Coroner O. C. Farmer and Dr. H. A. Farnham of Pontiac, who responded to a call for aid, rushed Brown to the Pontiac City hospital, where Deputy Sheriff W. A. Putnam and three Edison Illuminating Co. employees responded with a pulmotor. Brown was badly burned about the shoulders, back, legs and hands. The electricity came out of his legs just above the knees, leaving holes the size of bullet holes. Brown did not fully regain consciousness until three hours after the accident. He will leave the hospital today, and will probably be able to continue his work in four or five weeks.

Brown, who since June has lived with his aunt, Mrs. Sadler, at 504 Purdy street, is 25 years old, and graduated from the Michigan Agricultural College in 1922. His home is in Bayport, Mich. Brevitz was a college friend of Brown's, and was helping him this summer.
