SHOPPING NEWS

WITH THE MERCHANTS OF BIRMINGHAM

"SEE US FIRST"

Do you make window shades? "Certainly" said Mr. Chas. Misener of the Field Furniture Shop, "and we also sell curtain rods and poles and put them up. In fact we do so many things that many people have the habit of calling on us first and we seldom have to refuse. For example we not only sell new and old style furniture but we are headquarters for furniture repairs, refinishing and upholstering. Then we make picture frames and keys, sell bed springs and mattresses, renovate hair mattresses, clean and repair rugs. In fact it is clearly a case of 'See us first'."

"SAFETY FIRST"

To be safely insured with a reliable company is one of the best assets left by the insured.. T. D. Lynch, who has his office in the Levinson Building handles the Continental & American for fire insurance, and compensation, public liability, burglary, plate glass, and automobile insurance with reliable firms.

FAME LONG STANDING

For a long time, the people of Birmingham have purchased their meats from a market which has long been recognized as one of the best. The Phillips Meat Market on South Woodward avenue, carries a line of fresh and salt meats as well as fish and sea-foods. They always carry a variety and will have just what is desired.

"AND NOW—?"

Delicious salads! What is more appetizing for light luncheons, than a salad prepared from fresh fruits or vegetables? Salads, probably more than any other dish allow the housewife to develop her skill in exercising her originality. The Miner Grocery Company of South Woodward avenue carry a full and complete line of all such groceries and it is here that particular housewives deal. They deliver your orders right to your home.

SEEK FUNDS THROUGH SALE OF OLD PAPERS

Old newspapers and discarded magazines are to furnish the funds this spring for carrying on the activities of the Baldwin Unit of the Parent-Teacher Association. A general request has been issued by the members of this division to housewives to hoard their paper until the last week in April when a canvass will be made and the printed treasures collected. The papers are to be sold and it is hoped that a substantial sum will be cleared.

No definite arrangements have yet been made for the collection of the papers but it is thought that the students in the high school will take an active part in this work. Cash prizes will be offered to the room that produces the greatest quantity of paper, and individual prizes will also be arranged.

To take charge of this work Mrs. H. E. Whalen and Mrs. R. H. Mann have been appointed, and at a committee meeting the first of the coming week will complete the details for the "paper drive."

HAPPY EASTER!

Help give the "kiddies" a Happy Easter by a card, gifts or an unusual frock coat or cap from The Green Pheasant Shoppe on West Maple avenue. A distinctive display in the following lines: — Gifts, Easter Cards and Millinery make buying at home possible for all. Inquire about the Library.

BUICK'S NEW MODEL

"There seems to be some discussion of the Packard Motor Car Company suing the Buick Motor Car Company for infringing upon the lines and styles of the former's models," says James E. Valentine, local Buick representative. "There is no such trouble, as the Buick people guarantee their new models to be in accordance with their 1924 model 6-cylinder, and only friendly relations exist between the two manufacturers." Mr. Valentine will be only too glad to have you call him for a demonstration. When better automobiles are built, Buick will build one.

On Thursday, April 17, at 4 o'clock, Miss Helen MacDougal, the Detroit Camp Fire executive, will speak to the Camp Fire groups and any other girls interested in the Camp Fire camp. Miss MacDougal has just returned from the Camp Fire conference held in Kansas City, and is filled with many new ideas for the summer camp.

This is the season of the year to be thinking and planning about camp. Even though you can only go for two weeks, every girl should have the camping experience some time during her life.
