ST. JOSEPH'S MERCY NEARS COMPLETION

Lathers Start On Hospital In Pontiac Planned To Be Completed By January 1.

Construction of St. Joseph's Mercy Hospital, South Saginaw street, Pontiac, is moving speedily to completion, according to E. L. Hillinger, superintendent for the Fipp contracting company.

Birmingham citizens subscribed to the building fund.

Lathers started work last week and the plasterers will be on the job about Oct. 15. Plastering is a big task and will take from Oct. 15 until about Jan. 1. There will be two coats of plaster, a brown coat over surfaced with a white coat. In addition to this the operating rooms and a few other rooms will be painted white.

First and second floor partitions are in and work is progressing favorably on the third floor partitions. No work has been done as yet on the top floor.

Preparations have also been completed for the installation of the elevator cages. The doors, lifting machinery and cable have been installed and only the cars remain to be hooked on.

All the sub contractors are on schedule with their work. The plumbing is about two-thirds completed and the steam fitting and heating over half done.

The concrete roof to the laundry and heating plant was poured and these buildings will soon be ready for the installation of equipment. The power plant and laundry are combined in a separate building about 100 feet to the rear of the hospital. This is intended to eliminate any dirt or noise from these departments.

According to the contract, the building is to be ready for occupancy by Jan. 31 and with present progress continuing it will be on schedule, workers say.

Frimsel Soup.

Heat one quart of pure stock. Beat one egg and add gradually as much flour as it will carry, knead it well, then roll out as thin as possible, and cut in three strips. Let stand and dry, then place one strip on another and cut in fine strips. Season the stock and, as it is boiling, slip in the strips of dough, a little at a time so as not to stop boiling. Cook 25 minutes. Skin carefully. This will serve five people.
