ORDINANCE NO. 9
Licensing and Regulating Restaurants

An ordinance providing for the licensing and regulation of restaurants.

The Township of Bloomfield Hills Ordains:

Section 1. That no person, firm or corporation shall keep, maintain or operate a restaurant in the village of Bloomfield Hills without first having obtained a license, therefor, from the village commissioner. For the purposes of this ordinance the term "restaurant" as herein used shall be taken to mean and include every buffet, lunch room, lunch counter, dining room, hotel and every other public place where food is served, sold or consumed on the premises.

Section 2. Applications for such licenses shall be made upon blanks furnished by the village clerk, setting forth the name or names of the applicant or applicants and if the same be a partnership the names of the partners, together with their addresses, and if the same be a corporation the names and offices, together with the names and addresses of all persons interested in the business of the license; it shall give the complained place of such business, and all other information that may be deemed necessary by the proper authority of the terms of this ordinance. Said application shall be addressed to the village commission and filed with the village clerk, who shall within a reasonable time report to the commission as to whether the applicant is a suitable person to become such licensee.

The commission may, after the receipt of such report, grant to any suitable person or persons, a license authorizing such person to operate a restaurant as defined by this ordinance in this village of Bloomfield Hills, if it shall deem the sanitary conditions of the building suitable for the conduct of such business. Said license shall designate the particular place in said village where such business may be carried on, and it shall be unlawful for any licensee to operate any such business at any place other than designated in said license. Said license shall apply just to one place of business, and shall not be transferable or assignable.

The village clerk, shall issue such license upon payment to the village treasurer of the annual license fee of $5.00.

Section 3. The Health Officer or members of his department, and all other officers who are charged with the enforcement of this ordinance, shall at all times have access to every part of the premises to which a license is granted to operate a restaurant, and shall be allowed to take samples of food for the purpose of analysis, and refusal by the licensee, his agent or employee to prevent the examination of said premises or the taking of any samples, shall work a forfeiture of the license.

Every licensee shall conduct his establishment in a cleanly and sanitary manner. No licensee shall sell or offer for sale or manufacture any article of food which is not clean and wholesome, and which, if eaten by a human being, be deleterious to health.

Section 4. No person who is affected with any infectious disease, or with any venereal disease in a communicable form, shall work or be permitted to work in any restaurant. Whenever any person employed in any restaurant shall submit to a physical examination by the Health Officer, or by some physician approved by the Health Officer, if in the opinion of such examination such person shall be found to have any venereal or infectious disease, or with any venereal disease in a communicable form, such employment shall immediately cease and such person shall not be permitted to work in any such place.

Section 5. Any person, knowingly, affected with an infectious disease or with any venereal disease in a communicable form, who shall work in any place defined in section one, and any person knowingly employing or permitting such person to work in such place, shall be deemed guilty of a violation of this ordinance.

Section 6. Said license shall be subject to all conditions and terms of this ordinance. Said license may be revoked at any time by the commission if they deem the licensee an improper person to carry on said business, or if said place is conducted in an improper manner or maintained in an unsatisfactory condition; provided, that the clerk shall have the right and power to suspend such license when in his judgment it is for the best interest of the community, and said suspension of license to be in full force and effect until on or before the second regular meeting of the commission immediately following said suspension. Said license shall at all times be played in a conspicuous place on said premises.

Section 7. All licenses shall expire on the first Monday in June, following their issuance, unless sooner revoked by said village commission.

Section 8. The word "person" whenever used in this ordinance shall be held and construed to mean and include natural persons, firms, co-partnerships, corporations and all associations of natural persons incorporated or unincorporated whether attended by themselves or by servant, agent or employee.

Section 9. Any person who, himself or by his clerk, agent or employee shall violate any of the provisions of this ordinance upon conviction thereof shall be sentenced to pay a fine not to exceed $100.00 or to imprisonment in the county jail for a period not to exceed ninety days, or both such fine and imprisonment, in the discretion of the court.

Section 10. All ordinances or parts of ordinances of the village of Bloomfield Hills conflicting or inconsistent with the provisions of this ordinance are hereby repealed.

Section 11. This ordinance shall take effect twenty days from date of passage thereof.
