

AXFORD, STOCKWELL & Co. PONTIAC, MICH.

To the People of Old Oakland and vicinity:

DEAR FRIENDS:—Our having been in business only since April, 1881, will convince you that we have not all the newest and freshest novelties of the season. We do not let our stock run down but are continually receiving the very latest styles and goods as fast as they come, and of all ways finding something new and interesting. This week we have just received a new invoice of goods (including new fall styles) and many other goods including the latest styles in dress buttons. Ladies wanting the very latest styles in dress buttons to match all shades of dress goods will always find our stock ample and at prices as low as the lowest.

We take pleasure in calling the attention of the Ladies to the fact that we are doing the largest trade in Dress Goods, Hosiery, Notions and Corsets, done in this city, and we are confident that we are due to the fact that our goods are new and fresh, well made and well priced, and that we are in every way prepared to please our customers by placing before them the freshest goods, and showing the very best attention in our power, judging none by their dress, but according to the same scientific standard.

There are a few facts that we wish to especially impress upon the minds of our Ladies Customers in regard to our Corsets. 1st. We purchase our goods direct from the manufacturer. 2d. We have no old style of Corsets to show you, all of them are new and contain all the latest improvements. 3d. We guarantee the fit and wear. 4th. Our prices are so low that no firm is presumed enough to cheat us.

We extend to you all a cordial invitation to call and see us. We have the largest and most complete assortment of goods on hand, and we are prepared to do business in any and all lines of goods, and we are prepared to do business in any and all lines of goods, and we are prepared to do business in any and all lines of goods.

Very truly yours,
