517—Moved by Commissioner Hersey that the following preamble and resolution be adopted:

Whereas this Commission, by virtue of a resolution passed July 23, 1928, determined that it is expedient and advisable that a storm sewer be constructed in Bloomfield Woods, with outlet on Pine Street to Chesterfield in the Village of Birmingham, and

Whereas, by virtue of the same resolution, the Village Manager has prepared maps and diagrams of such above named improvement, and filed same with this Commission, together with an estimate of the cost of same amounting to $12,634.72 for the sewer, and

Now be it resolved that the following described areas served by said sewer will be benefited by said improvement, and shall constitute a Special Assessment District upon which a special assessment shall be levied to defray a portion of the expense of constructing such above named improvement in the following amounts:

Bloomfield Woods	$12,634.72
Average of H. A. O'Dell et al, on north side of Maple Rd.	1,107.56
McDonald Acreage	64.00
Allendale Gardens	521.20
Property abutting Pine St. east from west line of Allendale Gardens to Chester field	2,560.23

Be it further resolved that the Village of Birmingham shall bear the cost of constructing such above named improvement, and that the land and parcels of land embraced in said Special Assessment District shall be assessed for improvement, and the full cost of same, less of the cost of construction of road connections, and the full cost of house connections, according to benefits, or approximately $13.50 per foot in Bloomfield Woods, $13.50 per foot in O'Dell Acreage, $6.67 per acre on McDonald Acreage, 25c per foot in Allendale Gardens, and $2.92 per foot on abutting footage, and that the special assessments shall be divided into five equal installments, payable annually, beginning with the date of confirmation of a Special Assessment Roll for the above improvement.

Be it further resolved that this Commission shall meet at the Village Clerk's Office in the Village of Birmingham on Monday Aug. 27, 1928 at 8 o'clock P. M. to hear suggestions and objections to the proposed improvement and the method of assessment thereon.
