R. A. M. CHAPTER

A special meeting of the Birmingham chapter No. 93 will be held at the Masonic Temple next Monday at 7:30 p. m. when the mark master's degree will be conferred.

DeMOLAY

On Tuesday April 3 at 6:30 p. m., the DeMolay from Royal Oak, Northville and Birmingham will meet here at the Masonic Temple for a banquet and program. Following this, a silver loving cup will be presented to the chapter doing the best initiatory work by the boys from these communities. This is expected to be one of the largest gatherings ever held in the county.

Originally, the date for the banquet had been set for March 20 but because of several important events falling on the same date, the change was made in order that a large crowd may appear at the banquet, according to R. J. Meirow, chairman of the advisory committee.

Devotional Day services originally set for Sunday at the First Presbyterian Church have been changed to April 15, at the same place.

BLUE LODGE

Next Thursday, at 7:30 p. m. Birmingham Lodge No. 44 F. A. M. will have as their guest the Lodge of Highland Park, who will confer the second degree in the long form. Luncheon will be served following the work.

Parents Fail In Task Of Helping Children Find Selves, Speaker Says

Ninety-five per cent of the boys and girls of today have to depend upon the public schools as a means of obtaining their first real constructive planning for useful service in life; the average parent neglects his offspring to such a sad point that children are actually bewildered as they try to falter through the maze of adulthood. Youth needs sympathetic guidance, based upon the presentation of the goodness of life's positive verities, rather than a stressing of its negative blunders and their attendant punishments.

That is what Charles Robinson, representative of the Pathfinders of America, a national association for the development of youth, told members of the Birmingham Exchange club at Lone Pine Inn Tuesday noon. Mr. Robinson is actively engaged in teaching the Pathfinders' philosophy of service in Royal Oak, Hazel Park, and other nearby schools.

Following his talk C. R. Evans, president of the Exchangites, praised the work of the Pathfinders, and declared that the Birmingham Exchange club ought to lend its active support to providing such instruction for local boys and girls.

Mr. Robinson lamented the apparent indifference with which society raises its youth, leaving them almost wholly unprepared for honest service as stockholders in the corporation of society, and said that any private business, whose stockholders took no more interest in their business than does the average citizen, would be bankrupt in a short time. He stated that society's annual crime bill, amounting to 13 billions of dollars in this country, can be cut down in proportion to the teachings inculcated in the minds of growing youth.

"The boys and girls of today are hungry for knowledge; they are the best generation that the world has yet produced. Unless we take advantage of their desire to learn, and implant in their minds the knowledge that good service brings happiness, we will pass up life's greatest opportunity to rear a service-loving humanity," he said.

The rates quoted above are *Station-to-Station* night rates, effective from 8.30 p. m. to 4:30 a. m.

A *Station-to-Station* call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

Day rates, 4:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.

A *Person-to-Person* call, because more work is involved, costs more than a *Station-to-Station* call. The rate on a *Person-to-Person* call is the same at all hours.
