QUERY RAISED ON INVOICES

New School Board Member Questions Method Of Approving Bills

A question was raised at the meeting of the Board of Education Monday evening by Dr. W. G. Hutchinson, new member of the board, concerning the validity of incorporating into the minutes of the board the statement, "It was moved and supported that the following bills be paid" with an itemized statement of the bills, when such motion was never made.

Clarence Vliet and other members of the board explained that in former years, a list of the items had been read at Board meetings and approved by the board; but that since the list had become so long and since the bills had actually been paid by Louis Randall, business manager, before the board met, the board had fallen into the custom of not reading them. It still incorporated them into the minutes, however, in accordance with the law; and any board member was entitled to examine a statement of the bills at any time.

At the suggestion of Dr. Hutchinson, it was decided to approve officially the June bills already paid by Mr. Randall. It was also moved and seconded that the July bills about to be paid by Mr. Randall be approved. Mr. Randall was instructed to prepare a statement of the July bills to be brought to the next meeting, set for Aug. 4.

BEGIN ALLEY WORK

Work on the construction of Alley No. 1, between Woodward avenue and Pierce street at the rear of the Levinson Building and the Detroit Edison Co., probably will be begun this week, Harold H. Corson, village engineer, announced yesterday.

WE HEARD IT SAID BY—

Dr. Harold Roehm, local physician: "When the Grand Trunk railroad's new right of way is completed, and rapid transit trains are running over it, and Woodward avenue is, widened the remainder of the way, I expect to see the greatest influx of people out in and near Birmingham that may be imagined; in fact, I believe that it will surpass even our fondest dreams. There is nothing like this area in which to live, so near Detroit, and rapid transit will bring many out here who otherwise would not come."

ADMITS DRIVING CAR WHILE DRUNK

Detroiter Fined $100 After Crash On West Maple Road

Thomas Clarey, 49 years old, 14051 Stoepel avenue, Detroit, Monday entered a plea of guilty to a drunk driving charge when he was arraigned before Justice William S. Walker, of Troy, and was given the option of a $100 fine or 90 days in jail. Clarey, who was arrested by Deputy Sheriff George Forsyth, paid the fine.

Clarey was arrested when his automobile collided with another machine at East Maple and John R roads. No one was injured in the collision. Clarey agreed to pay for the damage to the other machine, Forsyth reported.

PARACHUTE JUMPER THRILLS SPECTATORS

Bob Capello, parachute jumper, leaped from a plane flying at an altitude of 2,200 feet Sunday evening at the Schlee-Brock airport. The feat was witnessed by a crowd in the field and occupants of 250 automobiles parked nearby.

Parachute jumps are a weekly feature at the Schlee-Brock airport, and take place between 6:30 and 8 p. m. every Sunday evening.

Dear Mr. Coryell:

May we express to you at this time when you have just severed your direct connection with the public school system, our appreciation of the many courtesies rendered to us by you as President of the Board of Education during our several terms.

We believe we reflect the spirit of the people of Birmingham whom you have served so faithfully for eighteen years on the Board of Education when we thank you for the unselfish devotion, courage and loyalty to the plans of the Board of Education which have made possible a modern school organization in Birmingham for the benefit of both youths and adults. And while you are no longer an official member of the Board of Education, we shall ever feel free to call upon you for advice and counsel.

With kindest personal regards we are

Very respectfully yours,

IS SUCCESSOR

OLIVER KIRK

For the past four years an attorney engaged in special service and legal departments of the First National Bank of Detroit, Mr. Kirk recently established his office in Birmingham as the successor of John J. Gafill, Birmingham attorney who has discontinued his office here to undertake new affiliations in Detroit.

Mr. Kirk was employed by the First National Bank in Detroit for 10 years. He came to Detroit in 1918 from Goderich, Ont., his birthplace. He was graduated from the Central High School in Detroit and received his diploma from the Detroit College of Law, graduating with a Bachelor of Laws degree. He was admitted to the Michigan State Bar in May, 1929.

ESCAPES DEATH IN AUTO ACCIDENT

Youth Forced Into Ditch By Car Speeding On Long Pine Road

Bud Bellisle, of Lothrop avenue, Detroit, narrowly escaped death Thursday afternoon when his car overturned on Lone Pine road near the Wing Lake road, after being forced into the ditch by a speeding car approaching him on the wrong side of the road, Bellisle, who is 19 years old, is employed in a soft drink stand and bath house at Walnut lake.

On Thursday afternoon, he was sent out in a small sedan to purchase pop in Birmingham. Returning by way of Long Pine road, he was startled to see a Cadillac sedan come over the top of a hill on the left side of the road going east at a high rate of speed.

Bellisle steered his car quickly for the ditch. It turned completely over and righted itself, destroying completely the body of the car. The motor, radiator, and chassis were unharmed except that the spare tire on the back was punctured.

The Cadillac whizzed by without stopping. Bellisle, who was uninjured except for a small cut, said he believed that he would recognize both the car and the driver if he were to see them again. He believes the driver was a resident of the lake shore near Walnut lake. He returned to the bath house in the dilapidated car, which was not insured.

Do you polish or punish your car?

Some polishes dissolve the dirt—and some of the lacquer along with it. That's a real punishment to the fine finish of your car.

SEMDAC AUTO POLISH

is an emulsion. Its action is gentle, yet extremely effective. It simply dissipates dirt, grime, grease and smoke film. It's astonishingly easy to apply. And it leaves a hard, dry brilliance—that is both durable and desirable.
