To the Public:

LADIES AND GENTLEMEN: With the most fashionable colors and correct shades of Dress Goods can be found the same shades of kid gloves, either the Hooked or Sarah Bernhardt styles. Ladies who wish newest colors will not fail to examine the stock at our house. They are at prices to meet all wants, and the best values we have ever offered. We take pleasure in calling the attention of ladies to the large trade in corsets at the Beehive. We have, as is well known, enjoyed the largest trade in corsets in Pontiac for years, and why? Because we have always kept the newest and most fashionable models as fast as they appear on the market. We have also endeavored to let our customers know it, and our success in making the corset trade a leading feature has been largely owing to the immense variety and large stock we keep. We are still sole agents for the celebrated Bettrees Duplex Corsets, of all kinds that are kept out of job bers' hands, so that positively you cannot obtain them at any other store. As before intimated our corset department embraces the most desirable styles, and newest and best brands. We respect a careful perusal of this by the ladies. Will give best value in any of the above, and can recommend them for quality and low prices. Ladies desiring a corset should not fail to see our newest kinds, as we have long been ahead on styles. We have more than a dozen kinds, and cannot, therefore, mention them all. Every one of our corsets is warranted to wear, fit, and give satisfaction. They constitute a large stock, beautifully assorted and cheap. *We aim to do, and do the largest corset business exclusively in this city*, and have marked them so low that the ladies cannot fail to be pleased by patronizing us. Give us a call, and for yourselves, and ask your friends to do the same. Remember we are head-quarters in Pontiac in the corset trade, and have all the leading kinds in ladies' corsets.

I am, respectfully yours,

JOHN POUND.
