PRIVATE COP LAW ADOPTED

Registration And Regulation Of Residential Police Is New Order

An ordinance requiring the licensing and bonding of all private police officers of the village and regulating their activities, was adopted by the village commission Monday night upon the motion of Commissioner Robert R. Allen.

The new ordinance provides that all such police agencies and their employes be registered and that all private or residential police wear uniforms distinct from those of the Birmingham Police Department. The ordinance also provides that such agents shall be controlled by the Chief of Police. Bond of $5,000 must be furnished and licenses for such officers shall cost $100.

Regular reports of houses inspected by these private agencies must be made to the Birmingham Chief of Police.

Penalty for violation of the ordinance is established by fine not to exceed $100 or imprisonment in the county jail for not more than 90 days.

mediately saying, "I need a new bustle and I just won't buy it from those smart-alec men folks!"

The Perpetual Fire

From here we jog along to the Lincoln Court House which was erected in 1840 and where Abraham Lincoln practiced law the following eight years. We go in and find the perpetual log fire burning which President Hoover lighted at the time of the Edison Golden Jubilee and from which all the fires in the village are kindled. Upstairs we are thrilled to see the old walnut corner cupboard, which the lad Abe made for the wife of his friend, Mr. Crawford, and it brings back the story of how Abe borrowed a copy of "The Life of George Washington" from Mr. Crawford, whose rare library was known all the countryside 'round. Abe left it in the cornfield where it was practically ruined by a storm. Greatly distressed over the damage, he went to Crawford and asked how he could repay him and Crawford answered, "You may shuck corn for three days without pay, but you may keep the book." The boy was very grateful and asked permission of his father, who was an experienced cabinet maker if he might make a corner cupboard and present it to Mrs. Crawford, which he did. Years later, when Mr. Lincoln became president, it was considered a very choice gift.

Horses Wait Without

Out we go to find our horses waiting and we're on our way again, bound for luncheon at Clinton Inn, more commonly known in the olden days as Parks' Tavern. Originally erected by Calvin Parkhurst in 1831 and later purchased by James Park and run by him during the late '40's as Parks' Tavern. This typical hostelry with its many cheerful rooms for guests to pass the night in, the ballroom with its quaint paper, low ceilings, crystal chandeliers, and old Hancock chairs, where many a square dance and old quadrille were enjoyed. All of

(Continued 2 from Page 1)

this on the second floor, while below, log-fires burned in the parlors and the reputation established so long ago for "*good food served hot*" still prevails in the dining hall.

With many thanks to our most gracious hostess for a delightful day, we sallied forth in a one-horse shay!

have expressed a desire to enter the league but the first eight teams to register will compose the league," Mr. Lynd said. "Teams interested should send their representatives to the meeting on Nov. 21. The schedule is expected to begin during the first week in January and it is possible that a team representing Birmingham will be sent to the State Y. M. C. A. basketball tournament this year."

The organizations represented at the meeting on Tuesday were the Methodist Episcopal Church, the Birmingham Athletic Club, an organization in South Birmingham, the faculty of Birmingham public schools, the DeMolay, and the First Baptist Church. The Fire Department also is expected to enter a team, Mr. Lynd said.

(Concluded 3 from Page 1)

sors see their last hope for legal authority to spread the December tax. If the court rules that the supervisors need not spread the tax as determined by the board of supervisors the county's tax muddle will become increasingly complicated.

SPECIAL ATTENTION TO CHILDREN'S READING WILL FEATURE BOOK WEEK

An exhibit of new books at the Baldwin Public Library and a special children's story hour Saturday morning, Nov. 22 will be the features of National Children's Book Week here, being observed next week in libraries and schools throughout the country.

The aim of Book Week, Nov. 17 to 22, which will be held for the twelfth consecutive year, is to focus the attention of publishers and parents on the question of children's reading, and to develop in the children themselves an interest in books, Mrs. Nancy B. Thomas, librarian, says.

Lists will be on hand in the library containing suggestions for year-around and Christmas reading, and the librarians will be glad to give assistance in the selection of children's books.

BYRD'S AIDE TO TALK HERE

Dr. Gould To Give Illustrated Lecture At High School, Dec. 3

One of the most important lecture paltform attractions of the season in Birmingham will be featured Dec. 3 in the Baldwin High School auditorium when Dr. Laurence M. Gould, second in command of the Byrd Antarctic Expedition, will give an illustrated lecture for the benefit of the Birmingham District Committee, Boy Scouts of America.

Dr. Gould is on a year's leave of absence from his duties in the geology department of the University of Michigan. A young man, whose life has been crowded with activity, he saw service with the Byrd expedition.

(Continued 4 from Page 1)

ments are coming out to dealers to assure immediate delivery of all models.

Fundamentally the new model embodies the same basic features but scores of improvements and refinements have been made this year. Among the improvements are a fully insulated front compartment, easier steering, more durable clutch, smoother and quieter transmission, and liberal use of rustless chromium plate on exposed bright parts. Four Lovejoy hydraulic shock absorbers, and fully enclosed, weatherproof four-wheel brakes continue as standard equipment.

In the line of nine body types are three open models—the roadster, phaeton and sport roadster, and six closed models—the coach, sedan, special sedan, the three-window coupe, the five-window coupe, and the sport coupe.

All sport models come equipped with the new popular chrome-plated radiator grille. All models have smart new wire wheels, with 4.75 by 19 tires, as standard equipment. Hubs are very large, of the concealed bolt type, with hub caps of gleaming chromium plate set off by a black ring circling the Chevrolet emblem in the center. Wheel finishes harmonize with the wide variety of body combinations.

New Safety Factors

Head lamps and tail lamp are full chrome plated in the new car. Chrome plated parking lamps attached to the cowl are standard equipment with all sport models, and the special sedan has front fenders with wells for the two spare wheels. The models equipped with one extra wheel carry the spare in the rear.

Safety factors stressed in the new car include a frame increased fifty per cent in torsional strength, continuance of the gasoline tank in the rear away from the heat of the engine, and inclusion of a flame arrester in the air cleaner.

The two-inch increase in wheelbase has been utilized throughout the line to increase the roominess and comfort of the new bodies. Smart new Duco color combinations, the addition of decorative body features and a head-on appearance extensively changed from the 1930 car combine to make the 1931 model decidedly finer in appearance than any of its predecessors.

The radiator has a larger cooling capacity this year, and is improved in both efficiency and appearance. A new treatment of the shell makes it appear much higher and the sides appear to have more curvature. At the bottom of the shell is a black enameled beaded panel surrounding the starting crank hole, which enters through the radiator instead of the splash pan as formerly.

Clawson Elects Village Officers

Voters of the village of Clawson Tuesday elected Alfred Schweiger as their president. Schweiger, who received 590 votes, succeeds Ralph E. Dunham, who died last summer. Thomas P. De Claire has been president pro tem of the village.

In the race for village clerk, Lynn Richards was re-elected in the closest contest of the election, receiving 361 votes to the 331 cast for his opponent, Alice Buchanan.

George Hoffman, with 381 votes and William Davis with 412, were elected commissioners. The other two candidates for the commissionership received the following votes: William Koch 243, and Henry T. Howe 132.

WE HEARD IT SAID BY—

George B. Boutwell, of Lakeview avenue: "Perhaps the strongest regulatory control of the liquor business ever effected in this country was in Massachusetts before the present prohibition laws came into existence. Things got so bad there, outside of Boston, that the liquor dealers themselves banded together in order to make the retailers obey some of the existing regulatory liquor laws."

(Continued 6 from Page 1)

Adams, second vice-president of the organization. The chairman of the seed sale committee is Mrs. Orlie Dawson.

Steady decreases in the tuberculosis death rate have been accomplished through the work of the organization, its program of vocational training and rehabilitation of patients advancing slowly. A decline in the tuberculosis death rate has been noted almost yearly since 1900. In 1928 the death rate was 79.2. In 1904 when the national Tuberculosis Association was formed, it was 200, or more than twice as high as the 1928 rate. The death rate has been more than cut in half, which means a saving at the present time of approximately 140,000 lives a year.

Children Gain Most

Tuberculosis is one of the most costly diseases because of the long period of illness and because of loss of income through sickness. Children have been the greatest gainers from the antituberculosis campaign. A 63 per cent decline among children under five years of age has been effected in the United States Registration area.

The board of directors of the Oakland County Tuberculosis Association for 1930-31 who will assist in the campaign this year is composed of the following:

Frank L. Doty, Dr. J. S. Morrison, Mrs. Jos. Panter, Dr. C. J. Sutherland, Mrs. A. C. Schwertman, H. Maurice Thatcher, Dr. Geo. A. Sherman, Dr. John D. Monroe, E. J. Lederle, Mrs. Homer Case, Mrs. Joe. Gillis, Mrs. Frank Langdon, Mrs. A. W. Willson, Mrs. Nettie Kitchenmaster, Mrs. Lulu Gillis, D. R. Wilson, Mrs. Orlie Dawson, Mrs. Geo. T. Hendrie.

Burton P. Daugherty, Allan Lawson, Fred Beardsley, Mrs. Chas. J. Shain, Dr. E. W. Bauer, Cass Gittins, Mrs. W. Harry Janson, Mrs. W. L. Murphy, Mrs. Herman Meinke, Mrs. W. E. Wilder, William Leece, Mrs. Alex Ross, John P. Colden, R. D. Tyler, Mrs. E. Gordon Long, Edgar Pierce.

(Continued 7 from Page 1)

Edwards Post of the American Legion and village boy scouts, who participated in a flag raising ceremony at the corner of Woodward and Maple avenues.

Village schools had programs of varying elaborateness, and at Baldwin High School, the student body sang popular war tunes, led by Miss Mae Brunsted, director of vocal music. Mrs. Frances Stephenson accompanied them on the piano.

People, like ghosts, take pleasure in returning to the scene of their former haunts, and J. Mohammed Ali wandered about Birmingham Friday afternoon with much delight. He marvelled at the changes that have taken place in even so short a time, and was somewhat puzzled by the absence of the post office from the Mulholland Building.

Mr. Ali, with his charming wife and daughter, Ayesha, and his brilliant son, Jack, resided for several years on Ravine road, this Wanderer remembers. Some time ago, they moved to New York, and are now carrying on an importing business.

DIVORCE GRANTED MRS. H. HALGREN

Custody Of Son Also Given Director Of Community House

Mrs. Hope F. Halgren, executive director of the Community House, yesterday was granted an uncontested suit for divorce from her husband, Arthur Joseph Halgran, advertising salesman, on the grounds of mental cruelty. The custody of their 8-year-old son also was granted to Mrs. Halgren by Judge Frank L. Doty, who heard the case, and an alimony settlement was made out of court.

In her bill of complaint Mrs. Halgren stated that she and Mr. Halgren were married June 29, 1921 and lived together until July 31 of this year. Mr. Halgren also refused to attend the wedding of her sister, held in the Halgren home, 659 Puritan road, Mrs. Halgren declared.

(Continued 5 from Page 2)

score counted at each table. At the end of the four hands the players progress to the next table. Regular auction bridge rules will apply with the exception that no re-doubling will be allowed. By following these rules players will not be forced to play with those they are not used to playing with.

Tickets are being sold now for the first tournament, which is open to every man in and near Birmingham.

ADVANCE MADE BY RED CROSS

Annual Campaign Progress Encouraging, Mrs. Corson Reports

The annual Red Cross drive which started in Birmingham Nov. 1, is progressing encouragingly and workers expect to obtain at least $1,100, or as much as was obtained last year, Mrs. Harold H. Corson, chairman of the drive announced. County workers also are beginning their activities and

(Concluded 8 from Page 1)

performers has been secured to make this revival of old-fashioned burnt cork minstrelsy a success and something more than an ordinary amateur performance is promised.

The welfare plan of the Fellowship Club is to raise $1,000 before Christmas for the relief of needy families who would suffer the severest privations before they would take relief in the way of gifts. The Club proposes, in brief, to loan money in small amounts to those who are suffering want, without endorsers and without interest. This plan has attracted the attention and support of many other organizations and individuals and the Mulholland Co. offers a prize to the person selling the largest number of seats for the performance. Seats will be sold at the minimum price of 50 cents.

WE HEARD IT SAID BY—

Justice Floyd S. Buck, justice of the peace: "I don't suppose there is a town in Michigan as large as Birmingham which has so few law suits."

anticipate success for the drive, it is reported from the county branch, of which Mrs. B. H. Mann is the director.

"I am delighted with the results obtained in Birmingham so far," says Mrs. Corson "and we have high hopes for the future. We wish however, that residents who have not been reached, or who were not at home when the workers called, would communicate with Mrs. Thomas Neal, 183 Oakland avenue, or Mrs. Roy Irwin, 287 West Maple avenue."

"Some Birmingham residents say that they have already contributed to the Red Cross Campaign through the Detroit Community Fund. We wish it understood that the Oakland County Red Cross does not receive any benefit from this fund. We expect that our campaign will be concluded by Thanksgiving Day."

LAST RITES HELD FOR G. TOWNSEND

Former Villager Died Sunday In Ann Arbor After Brief Illness

Funeral services were held at the S. O. Wylie Bell Home for Funerals Tuesday for George F. Townsend, former resident of Birmingham, who died Sunday at the University Hospital in Ann Arbor after a brief illness.

The Rev. R. M. Atkins officiated at the services, which were conducted by the Palestine Lodge No. 357 Burial was in White Chapel Cemetery, where masons from Richmond officiated.

Mr. Townsend, who was 53 years old, conducted a news stand in the old D. U. R. waiting room five years ago. At the time of his death, he resided in Richmond, Mich. Survivors include his wife, Mrs. May Pearsall Townsend, two brothers, Tom, of Batavia, and Loyd, of Concord, and a sister, Mrs. Mina Rundell, of Detroit.
