Baldwin Wins 46-7, Cranbrook Loses

HOWE SWAMPS CRANBROOK IN FIRST CONTEST

Indiana Military Academy Takes Advantage of "Breaks" to Win, 40-0

FUMBLES ARE COSTLY

Playing their first game away from home, Cranbrook's football team lost to the strong Howe Military Academy eleven 40-0 at Howe Saturday. Costly errors on Cranbrook's part combined with the superiority of the Indiana team to make the first defeat suffered by the Blue and Gray an overwhelming one.

Cranbrook kicked off, and soon after the opening of the game Howe made their first score. Taking the ball on the 35-yard line, they made a march to Cranbrook's 1-yard line, featured by runs by Alter and two successful passes. Ridge carried the ball over, but the try for extra point failed. After Cranbrook had failed to gain, and two punts had been exchanged, Krowitz of Howe recovered Gammel's punt after it had touched a Cranbrook player. Alexanian carried the ball to the 2-yard line and Alter made the touchdown. With the extra point added, the quarter ended with a 13-0 score.

Howe scored again in the second period. Cranbrook received a punt on their own 19-yard line, and in attempting to kick it out of danger lost the ball when Howe blocked the kick. Gammel then carried the ball to the 5-yard line where Cranbrook stopped two plays before Alexanian scored. Krowitz kicked the extra point, and the half ended in midfield with a 20-0 score.

Cranbrook made a more determined effort in the third quarter, holding Howe scoreless and making their only advance down the field. When Ridge, of Howe, fumbled, Cranbrook recovered the ball and made their first first down on a pass from Raymond to Sawyer. Rushing netted a few more yards, and the Blue and Gray seemed at the point of threatening a score, when Wilcox fumbled and the ball was pounced on by Maiullo, Howe right tackle. Howe was forced to punt again, and Cranbrook made another effort to score but failed. The brief rally was over, and once more Howe marched down the field. Gammel and Alter figuring in runs, passes and laterals, until the ball rested on Cranbrook's 20-yard line as the quarter ended.

Another Fumble

The final period opened with a touchdown by Ridge, and Howe had little trouble in scoring during the remainder of the game. Seyferth ran across the line after receiving a pass from Gammel. A second first down made by Sawyer for Cranbrook, followed by a 15-yard penalty on Howe once more raised the Blue and Gray hopes, but Howe stiffened in their own territory and took the ball away. After several gains Howe kicked the ball outside on Cranbrook's 20-yard line. Here Cranbrook again fumbled, and Howe took the ball over for the last touchdown in three plays, Dibble scoring, and Seyferth kicking the extra point. The play ended in Cranbrook territory with a 40-0 score.

The Cranbrook squad, composed of 25 players, and coaches, spent Friday night at Howe before the game. Saturday morning the cadets staged a review of the school for the benefit of the visitors. Following the contest, the visitors returned by bus to Bloomfield Hills.

Baldwin Eleven Trounces St. Ambrose School, 46 to 7

By W. STODDARD WHITE

THROUGH the spectacular playing of Deywood Harris, Baldwin High School's football team routed St. Ambrose School of Grosse Pointe by a 46-7 score at Pierce Field Friday afternoon. The game was scheduled on an open date for both schools after Birmingham had accepted Ferndale Lincoln High's cancellation of the game originally scheduled with that school for Saturday because several Ferndale players were involved in an automobile accident which proved fatal to one and seriously injured several others when they were returning from a football game at Port Huron, Oct. 18.

Harris made five of the seven touchdowns and one point after touchdown. He made the second touchdown of the game in the first three minutes of the second quarter, following it with a faked place kick which enabled Kenneth Hunt to carry the ball over for the point. Later in the same quarter he ran around end for six yards to raise the score to 20 for Birmingham, the kick failing. And just before the end of the period he again crossed the goal, tearing through the St. Ambrose scarlet line for 15 yards. George Shave took the ball across for a successful point. In the third quarter Harris crossed the line twice. James Brien and Edwin Deer made the other two touchdowns of the game, Brien making his score on a 40-yard run through the entire St. Ambrose team.

DePonio Also Stars

St. Ambrose's star player, DePonio, fullback and captain, was described by the Birmingham coach, E. T. Engel, as one of the best ball carriers he had seen on high school gridirons. DePonio played a stellar game for the Scarlet, scoring their lone touchdown in the third quarter. This came after St. Ambrose had executed a perfect spinner play which completely fooled Birmingham and let the field free for him to run 60 yards for the touchdown. He also made the kick for successful point after touchdown.

Under the influence of the latest and hardest-working coaching staff it has ever had the team snapped into sudden life for the St. Ambrose game and showed on the field the most spirited demonstrated this season. St. Ambrose was no "pipe" game, either. They are leading the second division of the Catholic League in Detroit, having won two and lost one game so far this season. They are rated as a Class B school in their league, though according to S. E. A. A. classification they are in Class C.

Maples' Power Shown

In the second and third periods Birmingham thoroughly aroused to the possibility that St. Ambrose might not lose the game, demonstrated the punch it has in reserve. The Maroon reserves also arose and held the visitors scoreless in the final quarter of the game when Coach Engel put the entire reserve team into the contest, sending the regulars to the showers.

Both George F. Johnson, head coach, and Coach Engel, who is doing the active field work, seemed satisfied with the team's performance. If they show the vigor they showed against St. Ambrose they are going to give Fordson High a stiff battle when they play on the latter's field Saturday afternoon.

Birmingham scored 16 first downs to three for St. Ambrose in the contest. Neither team completed a pass, St. Ambrose attempting five to Birmingham's two. Birmingham intercepted one St. Ambrose pass, while the other four failed to reach the receiver. Punting by both sides was not unequal, St. Ambrose punting 12b yards to a total of 135 for Baldwin, of which 90 yards were made by Edwin Deer in two punts, and 65 by James Brien in one. The visitors drew down 15 yards total in penalties five yards each on three penalties, while Birmingham was penalized once, for five yards.

RICHARDSON RETURNS

Clayton Richardson, 17-year-old ninth grade student of Baldwin high school, who has been out of school for a week, as a result of an accidental wound suffered Saturday, October 18, while hunting rabbits near Lapeer, has recuperated sufficiently to enable him to attend his regular classes. He returned to school Monday.

YEAR BOOK SALES END AT BALDWIN

The final total for the year book sales at the Baldwin high school will be about 425 subscriptions, according to Mrs. Aris Horwath, literary advisor, and Marian Masters, sales manager, who directed the recent campaign for the Baldwinian subscriptions. Monday afternoon the sales stood at 421 and though the campaign officially closed last week a few more subscriptions are expected to swell this total.

Alice Flowers, a junior at Baldwin high school, sold 21 subscriptions to people not attending Baldwin high school, winning the prize offered by the Baldwinian staff for the greatest number of subscriptions. The prize, a fountain pen, was presented to her on Wednesday.

Group pictures which were taken recently by Crane studio of Detroit have been received from the finishing department of that studio and students of the high school may buy them from Marian Masters who will be in charge of the sales distribution.

Institute Graduate Employed In Lapeer

Miss Jean Shepherd, of Imlay City, recently graduated from The Business Institute and is now employed as secretary in the Lapeer office of the Farm Bureau Services, Inc., of Lansing. This position involves both bookkeeping and stenographic work. Training along these lines is enabling many young people to secure high grade employment even during the depression. Why not investigate today?

ELECTROCHEF*

owners are enthusiastic!

Mrs. S. Butler, 12706 Fournier Avenue, Detroit, says: "This is my second ELECTROCHEF. We took the first to the summer cottage. I like the range very much and am perfectly satisfied."

Mrs. A. Burstrom, 208 W. Davison Avenue, Detroit, says: "I like the ELECTROCHEF more each day and am having very good results. Everything is just splendid, and I cannot praise the range too highly. The cooking cost is normal."

Miss Lily Park, 4572 Allendale Avenue, Detroit, says: "I am simply in love with the ELECTROCHEF electric range! Food tastes so much better, and I baked a cake that was the nicest I ever made. I am so proud of the range that I show it to everyone."

* *A study of 500 homes showed that the cooking cost with the ELECTROCHEF range averages 64 cents a person per month.*

With every ELECTROCHEF range, a seven-piece heavy-duty cooking set of Mirro-aluminum is included without extra charge. The set includes: *One 3½-Qt. Saucepan with cover, One 1½-Qt. Saucepan with cover, One 10½-inch Skillet with cover, One Drip Pan, One 6-Pint Teakettle, One Measuring Cup, One Measuring Spoon Set.* Specially designed for use with electric ranges, these black surface utensils make cooking one-third *faster*, and reduce—by about one-third—the amount of electricity needed for a cooking operation.

ELECTROCHEF'S cash price is $105 installed, ready to cook, including all necessary wiring. An allowance is made for your old stove, no matter what kind, make, or age. You may purchase ELECTROCHEF on convenient terms: Down payment $10 and balance $6 a month. Sales under these conditions to Detroit Edison customers only. See the range today at any Detroit Edison office.
