BUS DRIVERS, FIREMEN PLAY IN FINAL GAME

Lively Tilt Expected Tomorrow Evening On Poppleton Field

EASH HAS WON A GAME

By JOHN CHANDLER

Splitting even in two contests played Monday and Tuesday, the Firemen and the Eastern Michigan Motorbus nines, leaders of the second and first rounds of play in the organization league respectively, will meet again tomorrow night at 6:30 on the diamond at Poppleton Field in the final and decisive tilt of their three-game series to determine which team will meet Kurth Realtors in the city championship games next week.

After the bus-drivers had taken a one game edge by annexing Monday's tilt, 11 to 5, the Firemen came back with vengeance on the following day and walloped the Eastern Michigan aggregation, 19 to 5.

Monday the Eastern Michigan nine won out mainly through a continued offensive carried out in the last two frames, scoring three runs in each the sixth and seventh innings.

Each team scored two runs in the first inning and the Firemen took a one-run lead in the third, 4 to 3, by scoring two runs while the bus-drivers were able to chalk up but one tally in their half of the same frame.

Eastern Michigan took the lead in the fourth inning but the Firemen came back in their half of the fifth and evened the count at five all. The transit team unleashed a powerful attack in the last two innings and clinched the game.

Shouldice, business center fielder, led the offensive for both teams in Monday's tilt, driving out three hits in four appearances at the plate. Eastern Michigan made 13 hits while Tomes, their hurler was holding the usual hard-hitting smoke-eaters to four measly safeties.

Each team played sloppily in the field making seven misplays apiece. Powers, Eastern Michigan shortstop, and Jones and Smith, Firemen shortstop and second baseman, were the main offenders, each contributing three errors.

Tuesday, the Firemen, took the lead at the start scoring three runs on two walks, an error and two hits. Smith walked, stole second and scored on J. Moore's single over short. Moore followed Smith home when he scored on Schlack's single. When Jones was safe on Parker's error, Schlack also crossed the platter to give the smokeaters a total of three runs in the first frame.

Eastern Michigan scored two runs in the first inning and tied the score at four apiece in the fourth inning when Westerby opened the inning with a long triple to center and scored on a fielder's choice when he upset the catcher going home. Parker registered on Schlitter's hit to right.

The tie score was short-lived, however, for in the very next frame the Firemen came back with two runs to seal the verdict.

Up to the seventh inning the game was close and interesting. In this frame the Firemen went on a batting spree and before three outs had been marked down they had scored 13 runs and drove out 11 hits. In all 17 men faced Tomes, the Eastern Michigan hurler in this frame. As a closing gesture, the bus-drivers, taking their last turn at bat in the last of the seventh, scored one run which served only to bring the final count up to 19 to 5 in favor of the Firemen.

The star of the game was Reynolds, right fielder for the fire department. Though it is but the third game he has participated in this season, Reynolds drove out five clean singles in the same number of times at bat for a perfect day, and fielded well, starting one double play from right field.

The Firemen played the better game in the field making but four miscues, while the Eastern Michigan nine had six chalked against its record for the evening. The only extra base hit of the contest was Westerby's three base clout to center in the fourth stanza.

More than 200 fans attended the games on both Monday and Tuesday. Tomorrow's game, the deciding tilt between the two teams should draw a record crowd.

Box scores for both of the games follow:

Monday's Game

KURTH TO PLAY IN TITLE SERIES

Will Represent Commercial Division In Championship Contests

Adding three victories to their record the past week the Kurth Realtor nine clinched the second half championship of the commercial division of the Y. M. C. A. softball association and won the right to represent their league in the city championship contests beginning next Monday.

As the realtor aggregation also won the first half of the commercial league schedule there was no play-off series this week between the round winners.

During the last week Kurth easily defeated the Sanitary Barbers, South End and the Wildcats ending the second round with a clean slate of seven victories and no defeats.

The final league standings are not yet complete as there are a few postponed games to be played off.

Kurth Realtors 16, South End 5

The Kurth Realtor nine easily trimmed the lowly South End outfit, 16 to 5, in Monday's game. Kurth took a three run advantage at the outset of the game and scored virtually at will during the remainder of the game. C. Wedge, clever Kurth twirler, held South End to seven hits and drove out two home runs, one of them the longest hit on the Poppleton diamond this season.

South End	0	0	0	0	2	2	1	—	5

Kurth Realtors 15, Sanitary Barbers 5

The Kurth Realtor team leaped on the offerings of Fuhrman, Barber pitcher, in the third inning, scored five runs and went on to easily win this feature game played last Thursday. Sloppy infield play and impotency at bat combined to give the Barbers the first loss of the second round. Clarence Wedge, Kurth twirler completely subjugated the Barber batsmen except in the last frame.

Wildcats 7, Midgets 6

Successive hits by Cooney and H. Whalen, after J. Whalen had singled in the last of the fifth, gave the Wildcats a 4 to 3 verdict over the Midgets in a hotly-contested game played Wednesday of last week. The Midgets, battling every inning, tied the count at three apiece in the initial half of the fifth frame only to see the game elude their grasp in the same inning. The Wildcats made 10 hits to 11 for the Midgets.

Franklin 14, South End 10

Franklin won a free-hitting game from the South End nine, 14 to 10, in a contest played Wednesday of last week. The out-of-town team batted around in the opening frame and counted 10 runs to take a commanding lead. South End scored in every inning except the first but in no instance did they bunch enough hits to register more than three runs in a single stanza.

Kurth Realtors 9, Wildcats 4

Kurth Realtors clinched the second round championship when they repulsed the Wildcat challenge Tuesday evening to the tune of 9 to 4. The cats tied the count at four apiece in the fourth frame when they scored all of their tallies. Kurth put the game in the bag in the seventh inning when they batted around to count four markers.

This Week's Games

Monday, Tuesday and Thursday, Aug. 17, 18 and 20—Three game city championship series between Kurth Realtors, winner of commercial league title, and the winner of the organization league series being played between the Firemen and Eastern Michigan.

Each game starts at 6:45 in the evening and will be played on diamond one at Poppleton Field.

Resolution No. 234
Second Resolution, Second Publication
Closing Alley between Stanley and Watkins

235—Moved by Commissioner Connelly that whereas August 3rd, 1931, was fixed by this Commission as the time for the meeting to hear suggestions and objections to the closing of the 16' public alley running east and west between Stanley and Watkins in the block bounded by Hanna, Stanley, Wallace and Watkins in the Village of Birmingham, and due notice of the meeting given in the manner required by law to each person owning property liable for special assessment and the Commission duly met on this 3rd day of August, A. D. 1931 at 8 o'clock P. M. for the purpose aforesaid, and due hearing given to all persons making suggestions and objections to the proposed improvement, therefore

Be it resolved that the closing of such alley is expedient and advisable and that action to clear such right of way of improvements now existing to the end that the alley may be vacated and.

Be it further resolved that, Special District No. 235 is hereby established to consist of all lots and parcels of land abutting said alley upon which shall be levied and spread according to benefits, the sum of $375.00 being 100% of the cost of the project according to an estimate heretofore prepared by the Village Manager and now on file with the Village Clerk, and

Be it further resolved that the Village Assessor of the Village of Birmingham be hereby directed, in pursuance hereof, to make a special assessment according to benefits as herein provided on all taxable lands and premises constituting Special Assessment District No. 235 for the sum of $375.00 aforementioned, and impart the same to this Commission with all due haste.

Yeas, 7; Nays, 0.

HARRY ALLEN,
Village President.
IRENE E. HANLEY,
Village Clerk.

Resolution No. 241
Second Resolution, Second Publication
Storm Sewer—Old Grand Trunk Right of Way, etc.

241—Moved by Commissioner Tucker that whereas August 3rd, 1931, was fixed by this Commission as the time for the meeting to hear suggestions and objections to the installation of storm sewer from Maple Avenue, south to Clawson Road along the old Grand Trunk Right of Way which is to be utilized for Woodward Avenue pavement in the Village of Birmingham, and south from Clawson road approximately 450' connecting to a county drain, and due notice of the meeting given in the manner required by law to each person owning property liable for special assessment and the Commission duly met on this 3rd day of August, A. D. 1931 at 8 o'clock P. M. for the purpose aforesaid, and due hearing given to all persons making suggestions and objections to the proposed improvement, therefore

Be it resolved that the proposed improvement be constructed and a special assessment levied to pay the cost thereof, and,

Be it further resolved that Special District No. 236 is hereby established to consist of all abutting property not now served by deep storm sewer together with a drainage area served by this sewer as an outlet consisting roughly of an area bounded by the following named streets and extensions thereof:

Madison Avenue, Torry Street, Clawson Street, Bates Street, and more specifically defined on the map in the office of the Village Engineer, upon which shall be levied and spread according to benefits, the sum of $28,184.79 being 38.9% of the cost of the project according to an estimate heretofore prepared by the Village Manager and now on file with the Village Clerk, and

Be it further resolved that the Village of Birmingham shall pay from the general funds the amount of $13,686.24, being 21.08% of the cost of the improvement, and

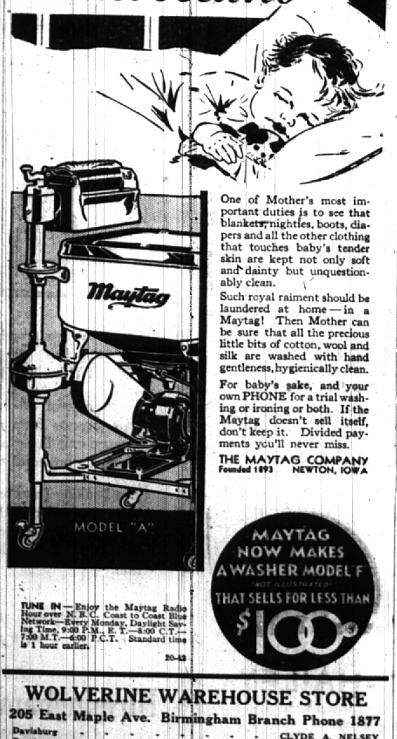
Be it further resolved that whereas the State Highway Department has manifested its willingness to contribute to the cost of this project an amount equal to the cost of the sewer they would have to construct independently to provide pavement drainage, and estimated at $23,514.64, or 64% of the cost, said figure being subject to adjustment and agreement with the State, and the aforesaid figures are set up on the basis of this estimated contribution, the amounts above named be subject to adjustment to agree with the State's contribution when definitely determined.

Be it further resolved that the Village Assessor of the Village of Birmingham be hereby directed, in pursuance hereof, to make a special assessment according to benefits as herein provided on all taxable lands and premises constituting Special Assessment District No. 236 for the sum of $25,184.79 aforementioned, and impart the same to this Commission with all due haste.

Yeas, 7; Nays, 0.

HARRY ALLEN,
Village President.
IRENE E. HANLEY,
Village Clerk.

Baby's off to slumberland



One of Mother's most important duties is to see that blankets, nighties, boots, diapers and all the other clothing that touches baby's tender skin are kept soft and dainty but unquestionably clean.

Such royal raiment should be laundered at home—in a Maytag! Then Mother can be sure that all the precious little bits of cotton, wool and silk are washed with hand gentleness, hygienically clean.

For baby's sake, and your own PHONE for a trial washing or ironing or both. If the Maytag doesn't sell itself, don't keep it. Divided payments you'll never miss.
