CRANBROOK TOPS D. U. S.

Reserves See Action In Easy Victory For Blue And Gray

Cranbrook School's second eleven figured in the defeat of the Detroit University School last Friday, 33-6. None of Coach Keppel's regulars started the game, and all 44 of the members of the squad saw action at some time during the afternoon. The game was played at Grosse Pointe.

Cranbrook scored one touchdown in the first quarter, and turned the game into a rout by scoring four times in the final period. Lane Donovan, D. U. S. quarterback, starred for his team, and broke loose in the fourth quarter to run 65 yards for a touchdown.

Sempliner, quarterback, drove over for Cranbrook's first points in the first five minutes of play, climaxing a 50-yard march. A steady 35-yard advance through the D. U. S. line in the last period yielded another score when Henry Rauch went over.

Soon afterward, Rauch passed 25 yards to Harfst, who ran another 10 to score. Five plays later, Harfst intercepted a D. U. S. pass, and ran 30 yards for another touchdown. Alfred Davock, halfback, made the last touchdown after receiving a 25-yard pass from Rauch.

Crippled Baldwin Squad Trounces Berkley, 13 to 3

Injuries Bar Three Regulars, Visitors Score First, But Fail To Halt Maple Pass Attack

The Baldwin varsity football men continued on their winning way Friday by defeating a heavier Berkley eleven, 13 to 3. Harris, the regular Maple quarterback, Curry, regular guard and Usher, center, were all forced to view the game from the side-lines because of injuries.

Because of the absences, there was quite a shakeup in the line-up. Anderson, an end, played guard, McClelland, tackle, played center, while Cushing filled the tackle position. Rocheleau called signals.

Berkley stopped the Maple attack early in the first period by intercepting a pass. After an exchange of punts Berkley marched to the 3-yard mark where the Baldwin line held. Hughes then drop-kicked from the 15-yard line for three points.

Pass Brings Touchdown

At the opening of the second quarter Berkley punted to mid-field but a penalty placed the ball on the 42-yard stripe. Bunyan tossed a lateral pass to Halsey who ran for a touchdown. A long pass, Hunt to H. Brelsford, gained the extra point.

Berkley pushed the kickoff back to the 30-yard line, but lost the ball when McClelland intercepted a pass. Berkley wasn't able to reach the center line again.

In the third quarter Hunt tossed passes to H. Brelsford, Rocheleau and Shepherd to reach the 12-yard line. A 15-yard penalty, however, spoiled the chances for another score. Twice in this period Berkley was forced to punt from behind its own goal line.

Hunt Plunges Over

In spite of three penalties and a long loss, Birmingham was able to reach the 1-yard mark from which place Hunt plunged for the second touchdown.

With only a few minutes left to play, a Berkley punt was blocked on the 12-yard line. The 1-yard line was again reached but a penalty and short loss caused the ball to be given to Berkley.

Birmingham out-gained Berkley 335 yards to 240 yards and tallied 12 first downs to Berkley's 6.

Summaries and line-ups:

BALDWIN RESERVES SET GREAT RECORD

The Baldwin football reserves set an enviable record Monday when they defeated their last foe, the Dearborn seconds, at Dearborn, 19 to 0. The Maple seconds thus completed their season unscored-on, untied and undefeated.

The game Monday was without long runs. The Baldwin team three times drove their opponents back until within a short distance of the goal. Stone scored once and Donaldson twice, Anderson adding the extra point to make a total of 19.

Drumm, Baldwin center, and Brelsford, quarterback, did a good job of backing up the line.

DEBATERS DEFEAT RIVER ROUGE TEAM

Negatives To Make First Appearance Against Ferndale Today

The Baldwin affirmative debating trio defeated the River Rouge negative team Thursday at River Rouge. The Birmingham team was composed of Phyllis Huston, George Dwelley and James Walker. The debate was Baldwin's second in the Southeastern Forensic Association series.

Harry T. Wood, professor of speech at Michigan State Normal College, was the critic judge. In his decision he stated that for a debate so early in the season the understanding of the subject discussed was unusual. The decision was given to Birmingham because the negatives failed to meet the affirmative's case as presented by Phyllis Huston in her first constructive speech.

The next debate with Lincoln High of Ferndale, will be held today at 3 P. M. in the senior session room at Baldwin. The negative team is to make its first appearance. Marvel Carson, Bruce Hurson and Malcolm Phillips will argue against the question: "Resolved, that the State of Michigan should enact legislation providing for a system of unemployment insurance."

Preston Scott, head of the speech department of the College of the City of Detroit, will pick the winner.

SENIORS SCORE FIELD DAY WIN

Take All But Two First Places In Annual Meet; Sophs Second

Baldwin High seniors took all but two first places to win the annual Field Day Wednesday of last week, scoring 71 points. The sophomores placed second with 55 points, while the juniors and freshmen trailed with 20 and 10 points respectively.

Mary Lou Rocheleau started the seniors' rout by capturing the 150-yard dash for girls. Jimmy Stone, close pressed by Donaldson, a sophomore, added another five points to the seniors' score in the 100-yard dash.

The pushball and tug-o-war teams of the senior class also took firsts. Roxane Lambie and Carolyn Salisbury again won the wheelbarrow race. Stone and Don Stewart completed the list of senior firsts in the horse and rider contest.

The sophomores took the honors in the parade and cheering contest.

Owens Runs Sixth In State Contest

Virgil Owens, lone Maple harrier, placed sixth in the state cross-country meet held at Ypsilanti, Saturday.

The Class A meet was run in 10:26, three seconds slower than the 10:23 of Class B. Owens, running in Class B, made the two miles in 10:46.

The final race of the year will be the Southeastern Athletic Association meet Saturday at Ferndale.

ADAMS GIRLS WIN VOLLEY BALL CROWN

Adams Junior High girls won first place in volley ball when they took the final tournament from the Barnum girls last week, 21 to 19 and 21 to 14.

The Barnum team was well organized on the defense but its offense was weak. Beth Owens of Barnum was the outstanding player of the day, taking many points with her serve. The Adams team co-operated on the court much better than Barnum.

SPEEDBALL TITLE GOES TO BARNUM

Junior high speedball schedule ended last Monday when Barnum's undefeated team trounced Baldwin, 27 to 0.

Second place in the sport went to Adams which defeated Baldwin last Thursday to the tune of 9 to 7.

BALDWIN STUDENTS HOLD TREASURE HUNT

The members of the Girls Athletic Association and the Varsity Club of Baldwin High School took part in a combined treasure hunt and steak roast at Bloomfield Township Park Monday evening.

Miss Helen Hammond, director of the G. A. A., Mr. and Mrs. Miles Robinson and Franklin Whitney were guests of the students.

The treasure hunt started at the high school and by a very round-about way finally reached the park. The treasure, a loaf of bread, was found by Dale McClelland.

MEN WHO PLAY FAIR . .

"Don't make the same mistake I did!"

Dad was giving me the proverbial "last words" before I hopped the train for school. Usually he spoke about studies or fast living, but this time only one thing was preying on his mind.

"Jack, I was not satisfied with your report last year. You let your bills slide!"

"Aw, Dad, all the fellows let their bills slide," I mumbled.

"That may be all right for you but not for me. You're on your own now, and I want you to come out on top. Don't make the same mistake I did!

"When I was your age I had no idea of the meaning of credit . . . and my own particular responsibility. No one could talk to me about the honor of debts and all that sort of thing. I thought it was smart to let my bills drag on a couple of months before I paid them. Well, like the rest of 'the fellows,' I got a bad name and it was *years* before I could get the good credit standing that means so much to me now."

"But, Dad, creditors don't really lose anything! They always get the money *some* time!"

"Don't lose anything, my boy?" He looked at me in silence for a moment, and I knew I had said the wrong thing.

"Son, I'll tell you something . . . *Lack of credit causes more failures than lack of brains!*

"When you fail to keep your promise to pay within a certain time, your creditor loses faith in you, and your name loses prestige. And after you've lost your credit standing, your brains are good for only one thing — to make you pay promptly!"

It was the first time that the meaning of credit had been brought home to me. Dad and I looked at each other and shook hands. As I dashed for the train, I thought to myself, "Dad's a man who plays fair!"

Paying bills promptly is only fair. Besides, it rids you of needless bill fretting and gives you the satisfaction of good credit standing.
