"Eucharistic Punishment" was the subject of the lesson-sermon in all Christian Science Churches on Sunday, Nov. 1.

Among the citation which comprised the lesson-sermon was the following from the Bible: "For we must all appear before the judgment seat of Christ; that everyone may receive the things done in his body, according to that he hath done, whether it be good or bad" (II Cor. 5:10).

The lesson-sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Divine Science adjusts the balance as Jesus adjusted it. Science removes the penalty only by first removing the sin which incurs the penalty. This is my sense of divine origion, which I understand to mean God's method of destroying sin" (p. 49).

# Pontiac Pair Fined Of Drunk Charges

Two Pontiac Negroes, arrested Friday night by Birmingham police were found not guilty when tried by Justice Arthur J. Tuggey Monday afternoon, one on a charge of drunk driving and the other of being drunk.

The two defendants were Alfred Binga and Billy Campbell. Their car was followed for seven blocks by Patrolmen Robert Appell and Robert Emmett who said they suspected Binga of driving a stolen car.

They stopped the pair, they said, to demand identification and drivers' cards. They said they smelled liquor on the Negroes' breaths, but that they had not suspected the pair had been drinking until that time.

Judge Tuggey ruled that since Binga had been seen to observe all traffic regulations during the seven blocks the car was followed by the police, the officers were sufficient to show he was under the influence of liquor.

er, Mr. Parry said. The field at the rear of the Y. M. C. A. building will also be flooded for skating this winter. It was prepared by welfare labor some time ago.
