POLICE HAVE BUSY MONTH

Make 169 Arrests, Collect $581 Fines In May

Police made 169 arrests and collected $581 in fines at the violations bureau during May, making one of the busiest months in the past year, according to the report of Miss Carrie Stoddard, police clerk.

All but 15 of the arrests were for traffic violations, the report showed. One arrest on a moral charge was the only felony reported.

Included among those arrested for misdemeanors were 97 charged with speeding, 29 with violating traffic signals, five with drunk driving, 10 with drunk and disorderly conduct, and 17 with illegal parking.

Five persons were hurt in 11 accidents in the village during the month, the report showed. Police answered 46 calls, investigated 67 complaints and furnished lodging to 34 vagrants in the village lock-up.

Five persons were reported missing, six persons were bitten by dogs and seven dogs were killed. Three auto thefts were reported, one of which was without foundation, and four stolen cars were recovered.

Four breaking and entering cases were reported and nine simple larcenies.

New Poor Commission Policy Enables Indigents To Find Work Elsewhere

Scores of families formerly on the Oakland County welfare list today are in a position to earn their own livings as the result of an intensive effort by the County Poor Commission to induce indigents to return to the homes of friends or relatives who can provide work for them in other counties or nearby states.

Transportation to other sections is furnished free of charge by the Poor Commission to such families as that of Mr. and Mrs. E. L. W. and children who went to Cambria, Ill., in answer to the following letter from E. L. W's brother:

Dear brother and family:

I received your letter in regards to work. I will say this much, if you can get money enough from the County or any where else to come home on I will give you and Lester steady work all summer and if there is no work this winter I will see to it that you and your family doesn't go hungry and cold. I will give you $1.00 per day and Lester $.75 per day and you can live where you did when you worked for me before. Your rent will not cost you anything.

You can have all the garden you want and a horse to tend it with, and a cow to milk. V. said she would give you a start of chickens and I will give you 1 hog that will make you about 225 lbs. of meat.

Times are sure hard. Let me know at once, as I will not get me a family for the summer until I hear from you. Another thing that will help you, you can have all the fruit that you want to can, without any cost. You had better get here pretty soon as it will be too late to plant potatoes and you know late potatoes do not do good down here.

This leaves us all well, hoping you are all the same.

Hoping to hear from you at once I remain, your loving brother. J. H. W.

GIRL INJURED IN THREE-CAR CRASH

Motorist Driving On Wrong Side Of Woodward Blamed For Collision

Miss Virginia Neal, 24 years old, daughter of Mr. and Mrs. Stanley M. Neal, Adams road, R. D. 3, Birmingham, is recovering in St. Joseph Mercy Hospital today from painful injuries she received when an automobile in which she was riding became involved in a three-car crash on Woodward avenue in Bloomfield Hills Saturday night.

The car was driven by Miss Neal's brother, Donald W. Neal, 21 years old, and was travelling north on Woodward avenue when struck by a second car, driven by Nelson Cline, 14140 Monte street, Detroit, travelling south.

The crash occurred north of the point where the double highway begins, and Cline was driving on the wrong side of the pavement. He failed to see the cross-over, Bloomfield Hills police said.

The force of the collision drove Neal's car into a third machine travelling just behind him, driven by Ray H. Bechtold, 707 Thompson street, Flint. All three cars were badly wrecked.

Both Cline and Bechtold escaped injury. Neal was badly shaken up, as was Miss Catherine Stecker of Pine Lake, a friend of Miss Neal who was also a passenger in the car. Miss Neal suffered lacerations of the scalp and concussion of the brain.

Traffic on Woodward avenue was tied up for a half hour while the wreckage was being removed.

Chief Of Ferndale Police Will Run For Sheriff Post

Chief Reynolds

Chief of Police Roy Reynolds of Ferndale yesterday announced definitely he will be a candidate for the Republican nomination for sheriff at the Sept. 13 primaries.

When appointed five years ago, Reynolds was the youngest police chief in the United States, being but 26 years old. He had previously served three years on the Pontiac City police force, and was promoted to the office of sergeant.

He is a member of Masonic Lodge No. 815, Odd Fellows No. 459 and Elks No. 1588 of Ferndale.

Among the candidates who will oppose Reynolds for the Republican nomination is Frank Greenan, undersheriff to Sheriff Frank Schram, who has announced he will not seek re-election.

Candidates for the Democratic nomination include Frank Springsteen, Royal Oak city commissioner and former supervisor; J. S. Seeterlin, Clarkston automobile dealer; and Bernard Schrader, who was dismissed as chief deputy in southern Oakland County the day after he announced his candidacy.

Civic Center Houses Not To Be Repaired

No repairs will be spent on the nine houses owned by the village in the block at the middle of the civic center between the Municipal Building and Baldwin Public Library, at least for the present, it was decided Monday by the Commission.

Village Manager James W. Parry asked members of the Commission whether it would be wise to make the repairs, and they agreed it was not, in view of present conditions. The rent charged for the houses is sufficiently low to keep them occupied even though the repairs are not made, they agreed. Eight of the nine houses are occupied at present.

A suggestion by Village President Harry Allen that the houses be removed immediately and the block turned into park property, for which it was originally purchased, was regarded as involving too much expense for the present.
