33. A brother from a lodge in this jurisdiction... He is charged with a crime... He is a member of the lodge...

The waters of rivers in these countries are yet unquenched by the pressure of a great rise, it would seem foolish for us to attempt to change the mighty Mississippi by building dams.

Destroying Rabbits. The enormous multiplication of rabbits in New Zealand has caused such destruction to the crops that the Colonial Government has asked the government of India to send out for acclimatization the prairie dog.

Looking back upon the bright career of the Hon. Mr. Gifford, we are reminded of the words of the Grand Master, "I had language inadequate to express the admiration of you the people."

In conclusion allow me to express my high appreciation of the fraternal relations which have marked the correspondence of subordinate lodge delegates.

Brothers, the duties of this session are now before us. Let us apply our minds to the performance of our duty, and let us be true to the tenets of our profession.

And now, my brother, may the benediction of heaven rest upon our present deliberations.
