OHIO SOCCER TEAM DOWNS CRANBROOK

Cranes, Below Usual Form, Drop 3 to 1 Decision To Western Reserve Academy

Western Reserve Academy of Hudson, O., proved too strong for the Cranbrook School soccer team in a game played at Cranbrook Saturday, the visitors winning by a count of 3 to 1.

The Cranes were not up to their usual form, and the Reserve team was able to score in the first period. Thompson, center forward, made the goal after a pile-up at the Cranbrook goal mouth. In the second quarter the Ohioans counted again when Allen, playing left inside for Reserve, dribbled past the Crane defense and placed a long shot in the corner of the net.

Cranbrook's lone counter came in the second period on a short shot by Rocky Billard, shortly before the end of the half. The play of both teams in the second half was ragged and ineffectual. Thompson scored Reserve's third goal near the end of the game on a shot that goalie Talman had no chance to save.

Library To Observe Child's Book Week

Baldwin Public Library will join other libraries throughout the nation next week in observing Children's Book Week, Nov. 11 to 17, Miss Adeline Cooke, librarian, has announced.

A group of 65 children's books, donated to the Library by the local branch of the American Association of University Women, will be on the shelves, and the jackets of these volumes will be formed into a special display for the week, Miss Cooke said. There may also be a hobby display.

On Saturday morning, Nov. 17, Miss Marian Fowler of Birmingham, a senior in the kindergarten school at Wayne University, will conduct a story hour for children, beginning at 10:30 o'clock. She will be assisted by a fellow student.

"Everlasting Punishment" was the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, Nov. 4.

Among the Bible citations was this passage (Ps. 35:27): "Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the Lord be magnified, which hath pleasure in the prosperity of his servant."

Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (p. 240): "Mortals move onward towards good or evil as time slides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified . . . Remember that mankind must sooner or later, either by suffering or by Science, be convinced of the error that is to be overcome."
