BETTER ... than the Old Oaken Bucket

● Can't you recall the deliciousness of water from some long-remembered well . . . water that seemed so clear, and pure, and soft its memory lingers?

Such water rarely occurs naturally. Most water, even if clean and bacteriologically safe, has hardness or some chemical content to spoil its taste. But no matter what your water supply may be, it can be conditioned . . . freed of all offending impurities. A simple Permutit Water Conditioning installation, attached to your household water supply, will give you delicious soft water throughout the house.

And conditioned water isn't only better for drinking...foods cooked in it taste better. It gets things cleaner with less soap and less scrubbing . . . makes clothes last longer. It's better for your skin and hair. So much luxury sounds expensive. But it really isn't. A Permutit installation will actually save enough to meet the payments under the FHA plan. Let us show you how. Write for free booklet.

GOODYEAR PIONEER IN MANY FIELDS

Mortists in this area long ago learned to expect pioneering developments in the tire field from The Goodyear Tire & Rubber Co., according to Mr. Grant, local Goodyear manager, the company pioneers developments in many other fields with which the average motorist is not so well acquainted.

"Goodyear's record of 'firsts' in the tire development field needs no recounting here," Mr. Grant declared. "In addition to the new tractor tire, the new Double Eagle Airwheel and the new Implement tire, Goodyear has this spring announced the first successful pneumatic brake for airplanes ever developed in the United States."

For as little as 25 cents you may insert a CLASSIFIED AD in the columns of The Eccentric. Try one when you want to buy or sell, locate a house or sell one, or for hiring a maid. Telephone 11 before Wednesday noon each week. —(Adv.)

MAY 27-28 DATES SET FOR ANNUAL VFW POPPY SALE

Manner In Which Proceeds Expended Explained By Commander

Commander Fred G. Samuelson, Birmingham Post No. 2645, Veterans of Foreign Wars, in discussing the fifteenth annual poppy sale to be held by the VFW on May 27 and 28 here, explained the manner in which the proceeds are expended by his organization and he urged that local citizens pay a minimum of ten cents each for the "Buddy Poppies" which they buy.

"Each Buddy Poppy to be sold in this city was painstakingly fashioned by one of the thousands of disabled veterans in our government hospitals," Commander Samuelson said. "You will not be paying ten cents for a little red silk flower. You will be giving that sum as your private contribution to the sufferings of these disabled men and their wives and children.

"The entire proceeds of the nationwide Buddy Poppy sale, conducted annually by the Veterans, is devoted to the widows and orphans of the World War veterans, and to the relief, welfare and serving work which our organization supports among America's war veterans.

"One cent from each Buddy Poppy sold will go to the V. F. W. National Home at Eaton Rapids, Michigan, where it helps to maintain and operate this unique institution. Another two and one-half cents from each Poppy sold is used to maintain the national and state rehabilitation service, which advises and assists thousands of disabled veterans in the establishment of their equitable claims for government compensation and hospitalization benefits.

"Added to the small sum paid to the veteran who makes the Poppy, this three and one-half cents brings the cost of each poppy to approximately five and one-half cents. Since all proceeds over this amount are devoted to our local relief, welfare and service work among disabled and needy veterans of this community—work which otherwise would fall on local charitable agencies and tax-payers—we feel confident that the citizens of this community will be glad to contribute a minimum of ten cents for Buddy Poppies they will wear on Memorial Day, May 30th."

WE HEARD IT SAID BY—

Mrs. A. D. Jardine of Ann street: "Mr. Jardine wishes to pay public tribute to the efficiency of the Birmingham Police Department in protecting the property of absent residents. During our recent trip, although we did not notify the department, every precaution was taken to protect our home. Such vigilance should not go unnoticed."

BITS OF BIRMINGHAM

A meeting for the purpose of organizing a Social Workers' Club in Oakland County is to be held at Price's Tea Room, 37½ North Saginaw Street, Pontiac, on May 7, 1936. Dr. Robert Kelso will speak. Any person interested is cordially invited to attend. A dinner will be served at 6:00 o'clock. All reservations must be made in advance. Admission is at a nominal price. Phone Pontiac 2-0111.

The following students from Birmingham and Bloomfield Hills were guests of honor at the annual University of Michigan Honors Convocation, held in Hill Auditorium, Friday, May 1. William DeJae, who received a Cornelius Donovan Scholarship in Engineering. Henry Foley, who received sophomore honors in the College of Literature, Science, and the Arts. Daniel Robertson, who received sophomore honors in the College of Literature, Science, and the Arts. Arthur Peters, who received freshman honors in the College of Literature, Science, and the Arts. Bennett Root, who received freshman honors in Engineering. Alice C. Fraser, of Bloomfield Hills, who was accepted freshman honors in the College of Literature, Science, and Arts.

Lorraine Lambert, of Bloomfield Hills, freshman at the University of Michigan, was elected to Crop and Saddle, girl's riding club, of her sorority for prospective members recently.

Betty Newell, 9th grade Baldwin high student, daughter of Mr. and Mrs. Frank C. Newell, of West Maple avenue, is quickly winning her way back to health following treatment in University Hospital, Charlottesville, Virginia. Betty, who has been away since February, will soon be home, her proud dad reports—and her school mates at Baldwin applaud the news.

The Townsend Club will meet next Wednesday night, May 13, at 8 o'clock in the Community House, according to Mrs. Mary Stewart. The speaker will be Mrs. Fred Weston from Pleasant Ridge.

Eugene H. Baker, Senior Mathematics major, Junior and Elizabeth P. Sears, Sophomore, three local students at Michigan State College, East Lansing are among the 416 named for the Winter Scholastic Honor roll. Those on this roll have maintained at least a "B" average for two successive terms.

Lee A White of Brookside drive attended the International Meeting of Touch Clubs recently at Harrisburg, Pa., going from there to New York City. Mr. and Mrs. White were guests at the Mohican Golf Club Wednesday, where Mr. White addressed the Saginaw Valley Touch Clubs.

Roberta Chissus, daughter of Mr. and Mrs. R. W. Chissus, is chairman of the decorations for the Freshman Frolic on Lantern Night in the Athletic Field at the University of Michigan.

Three Clay Tennis Courts Open To Public Saturday

Birmingham tennis lovers will have ample opportunity to enjoy their chosen sport this summer, according to F. K. Fowler, who has taken over the old Birmingham Tennis Club at the corner of Pierce and Lincoln Streets. The fast clay courts at the club will be ready for use by the public Saturday, Mr. Fowler announced.

Players who do not own racquets or shoes may rent their equipment from the club, it was stated. The club will be open to everyone, Mr. Fowler asserted, and admission will be either by hourly rates or by season tickets, nominally priced. Season ticket holders will be given preference on the court at all times, Mr. Fowler stated. The club house will be available for men to take showers, it was said.

Several tournaments are being planned for the Summer and Mr. Fowler has secured Phil Curtis, instructor at Cranbrook School, and outstanding coach, who will be at the courts this Summer to give instruction. Cold drinks, candies, etc., will be for sale in the club house, it was said.

Second Duplicate Match Held For City-Wide Team

Mr. and Mrs. Tom R. Wylie, Jr., with a score of 67½ points, were the North-South winners of the second of the elimination series to determine the contract bridge teams that will represent the city in a twelve-of-four match with a Pontiac foursome in the near future. The tourney Monday night in the Community House Mrs. Mary Lewis Fletcher is in charge of the duplicate game.

Second place went to Mr. and Mrs. Edwin Shafter of Detroit, who scored 65½ points. However, the Detroiters are not eligible to compete in the inter-city matches. Jerome Mrs. Stanton Clark and M. Harry Weller with 64½ points were awarded second in the evening's standings.

Six tables were in play during the tournament. One Pontiac couple, competing in the tourney two weeks ago, had been turned over to the Community House director.

VAN WAGONER REFUSES TO RUN FOR GOVERNOR

Murray D. Van Wagoner, State Highway Commissioner, has recently issued a statement disclaiming any intention of running for the Democratic nomination for Governor of this state. The commissioner points out that, while he appreciates the strong invitation extended to him from many friends to be a candidate, he will not accept because he feels his present job is far from being finished.

"You be the Judge and Jury too!"

TEST
TERRAPLANE
against the best *any other* low priced car can do!"

Drive as many of the other low priced cars as you care to . . . particularly the other three leading "makes." Then take a "Discovery Drive" in a Terraplane.

You will find very little difference in price for the model you want . . . but a *big* difference in what you *get* for what you *pay*.

JUDGE STYLE—Terraplane against the other three, with the only 1936 design that is entirely *new*.

CHECK SIZE AND ROOM—Full 115-inch wheelbase in Terraplane . . . up to 3 inches more than the others. And 145 cubic feet of inside space . . . more head room, leg room, seating room.

TEST EASE OF HANDLING—Something brand new here . . . Tru-Line Steering and Radial Safety Control, patent applied for. Exclusive in Terraplane.

TRY RIDING COMFORT—Terraplane's Rhythmic Ride, against the ride you get in any other low priced car.

CHECK PERFORMANCE—88 or 100 horsepower in a Terraplane . . . 3 to 9 more than any of the other three leaders. More power per ton, and *smoothness* no other low priced car approaches.

TEST BRAKES—Terraplane is the only low priced car with latest, finest hydraulics, *and* a separate safety braking system operating from the same brake pedal if ever needed. Plus a *third* braking system from the easy handling parking brake.

MEASURE SAFETY—Only Terraplane, of the leading four, has a body all of steel with solid, seamless steel roof.

COMPARE ECONOMY—Terraplane averaged 23.95 miles per gallon in the Los Angeles-Yosemite Economy Run, with 3 passengers and baggage—with *no coasting*.

CONSIDER RUGGEDNESS—We'll show you owner records of 125,000, 150,000 miles and up. Ask any other low priced car to match them.

Just come in and say, "Show me." We'll back Terraplane . . . every time.

CLAUDE MOSHER,
Terraplane Dealer

Take a "Discovery Drive" With the Electric Hand
Flick a finger . . . and gears shift! The *new* way to drive . . . easier . . . safer. With a *clear* floor in front . . . real foot-and-leg comfort for three in the front seat! No gear or brake lever to stumble over. That's the magic of the Electric Hand, an optional extra *not available on any other low priced car.*

88 or 100 H. P. . . . 115-inch wheelbase
$595
and up for De Luxe Models, f. o. b. Detroit. Standard group of accessories extra.
SAVE . . . with the new HUDSON-C. I. T. 6% Budget Plan . . . very low monthly payments
