An Ordinance to License and Regulate the Business of renting of motor vehicles and bicycles in the City of Birmingham, and to provide for penalties for violations of said Ordinance.

The City of Birmingham Ordains:

Section 1—Definitions

(a) VEHICLE. The term "vehicle" as used herein shall include every device in, upon, or by which any person or property is or may be transported upon a highway.

(b) MOTOR VEHICLE. The term "motor vehicle" as used herein shall include every vehicle which is self-propelled, specifically including motorcycles, so-called, and all other two-wheeled conveyances which are self-propelled.

(c) BICYCLE. The term "bicycle" shall include every vehicle propelled by human power.

(d) PERSON. The term "person" as used herein shall include every natural person, firm, copartnership, association or corporation, and every subordinary or agency thereof.

Section 2—License Required

No person shall engage in the business of renting out motor vehicles and or bicycles without having first procured a license from the City Clerk as hereinafter provided.

Section 3—Application For License, Requirements

Any person desiring procuring a license hereunder shall file with the City Clerk an application in writing, which said application shall set forth the name and address of the applicant, the place within the City of Birmingham at which the proposed business is to be located, the type of vehicles, whether motor vehicles or bicycles, to be rented and the number of each, which number shall be the maximum number of such vehicles available at any one time, the name and address of the registered owner of such vehicles, if different from the name of the applicant, said person shall, if motor vehicles are to be rented, file with the said Clerk, a certificate showing that such motor vehicles are covered by public liability insurance in a minimum amount of $5,000.00 for each vehicle, covering damages done by such vehicles. The said application shall be accompanied by a fee of $5.00, where bicycles alone are to be rented, and where motor vehicles are to be rented, such fee shall be $10.00.

Section 4—License, Issuance

The City Clerk shall, thereupon, issue a license which shall specify the place in the City of Birmingham at which such business is to be located, the type of vehicle to be rented thereon, and the maximum number to be available for rental at any one time. Such license shall be for a term of one year. PROVIDED, HOWEVER, that all such licenses shall expire on the 31st day of December next following the issuance hereof.

Section 5—Inspection

Any person granted a license hereunder shall permit the Chief of Police of the City of Birmingham, or his duly authorized deputy, to enter into or on the premises where such business is located, at all reasonable times to inspect the vehicles located thereon, and shall keep the place of business of a greater number of vehicles, or vehicles of a different type than are specified in such license.

Section 7—Rentals to Minors

No person operating under a license which permits the renting of motor vehicles shall rent such vehicle to a minor under the age of 18 years, unless such minor be accompanied by his or her parent or guardian. No motor vehicle shall be rented to any person unless an operator's license issued pursuant to Act 91 of the Public Acts of the State of Michigan, 1931, as amended.

Section 8—Revocation of License

If it appear that a person granted a license hereunder has not complied with the requirements of such license, upon conviction thereof in a court of competent jurisdiction, such license may be revoked by order of the City Commission.

Section 9—Effective Date

This Ordinance shall take immediate effect upon passage and publication thereof.

Section 10—Penalties

Odd Court House Mascot

Crystal Falls—A pure white robin was a well-known "regular citizen" here last year has returned to the court house. Hunting worms, or crumbs that are put out for him, the bird struts about daily on the court house lawn. Three youngsters—all of them red—were raised by the robin last summer.

Meet Old Friends THROUGH This Newspaper

For More Than Half A Century Birmingham Folks Have Been Meeting Old Friends And Making New Ones Through The Columns Of The Birmingham Eccentric.

Each week subscribers read of the activities of many people, whose names are mentioned in these columns Some of them your neighbors and close friends. Others are well known by reputation through reading about them in this newspaper. "Humanity makes news." Our correspondents and news gathering facilities bring to you practically all of the news concerning the people of this community.

The Eccentric is a welcome visitor in thousands of homes. It pushes no doorbell to gain entry; it brings no sigh from the busy housewife: "Well, there is another agent." It is no handbill cluttering up automobiles, nor blowing around from dooryard to dooryard. It is not a mailed circular that attracts only passing attention and is thrown aside. No husband coming in from his day's work sits down and asks his wife: "Where is the latest circular?" but hundreds of them ask, "Where is the Eccentric?"

That is the clientele Merchants reach when they use the Eccentric for advertising purposes. It is a clientele that is responsive to merchandising messages well told and backed by competitive price.
