MATRONS WILL AID BOOK SALE ON COMMITTEES

Even the bookworms are interested in plans for the annual book sale of the American Association of University Women, scheduled this year for the week of Oct. 17-22! Mrs. Donald T. Stanton, general chairman of the large committee of local matrons who are working on the sale, has announced that it will be held at 146 South Woodward avenue, south of Schettler's.

The committee chairmen have chosen their assistants, whose names are announced this week. Mrs. Robert H. Whitlatch, chairman of solicitations, will be assisted by Mrs. J. J. Roura Jr., Mrs. William J. Jackson, Mrs. C. Kenneth Bell, Mrs. R. J. Rathbone, Mrs. F. F. McKinney and Mrs. Charles E. Lewis.

Mrs. Henry Hart, chairman of transportation, will receive the help of Mrs. Stanley Saunders, Mrs. C. Howard Donnelly, Mrs. Leonard Lewis, Mrs. Nell C. McMath, Mrs. Loren T. Robinson and Miss Dorothy Schwarze.

Mrs. Lewis E. Daniels, who heads the selling committee, has not yet named her assistants.

Mrs. Charles Hawley is chairman of the marking committee. To aid her she will have Mrs. B. A. Aikens Jr., Mrs. William Schultz Jr., Mrs. Ralph Scheel, Mrs. Garrett W. Arnold, Mrs. Paul L. Penfield and Mrs. Earl Bartholomew. Proceeds from the sale will be devoted to community projects of the A. A. U. W.

ROTARY ANNS TO MEET

A luncheon and program has been arranged to occupy the Rotary Anns at their meeting on Monday, Oct. 17. The affair will be held at the home of Mrs. W. E. Mosher on Lone Pine road. Assisting the hostess will be Mrs. John Maynard, Mrs. J. G. Kehoe and Mrs. John Martin.

Principal speaker on the program, which will follow the luncheon, will be Helen Benecke, director of the Detroit Orthopedic Clinic.

Kappas To Attend Founders' Day Fete

A trip of Birmingham matrons will be among those to attend the formal banquet and program this evening, signifying the Founders' Day observance of Kappa Kappa Gamma sorority. The affair will be held at the Intercollegiate Alumni Club in the Penobscot building, Detroit.

Mrs. Milton F. Mallendar, Mrs. Joseph E. Torrence and Mrs. Clyde A. Haefner are among those who will attend. One of the speakers will be Miss Helen C. Bower, editor of the sorority's quarterly magazine, The Key. Also appearing on the program will be delegates to the national convention, who will report on the progress made.

LEAGUE BAZAAR WILL BRING BACK FOND MEMORIES

The quaint atmosphere of the days when Birmingham was known as Piety Hill will be revived at the bazaar which the League of St. James Women will sponsor on Thursday and Friday, Nov. 17 and 18, at the church and the church buildings. League members who have not forgotten the stories and traditions of the Birmingham of long ago will revive memories with their faithful reproductions of the old shops which lined Woodward when that famous highway was a tree-edged lane.

Attendants and committee members at the fair will add to the atmosphere with their costumes, which will be in the latest modes of 1850.

One of the most ambitious booths will be that which will sell gifts and novelties, under the general chairmanship of Mrs. George D. Clark and Mrs. Spencer C. Stanley. The co-chairmen and their assistants have held weekly meetings for months, at which they constructed hostess trays, knitting bags, closet accessories in chintz, gourd strings and book covers. The list of committee members includes the names of Mrs. Harold A. Dick, Mrs. Lane Bishop, Mrs. D. S. Hastreiter, Mrs. Clarence G. Heinmiller, Mrs. Clyde Hagerman, Mrs. Wilbur Elliott and Mrs. Sherman LaMeasure.

Mrs. Robert F. Watt is serving as general chairman of the bazaar, assisted by Mrs. Otis W. Howard and a large number of chairmen and their committees.

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 16.

The Golden Text (I Thess. 5:9, 10) is: "God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake or sleep, we should live together with him."

Among the Bible citations is this passage (I Peter 4:12,13): "Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 2114): "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight . . . I have kept the faith,' because you are a better man. This is having our part in the atonement with Truth and Love."

STOKOL
COAL STOKER

COSTS LESS TO OPERATE—IS MORE EFFICIENT THAN OTHER FORMS OF AUTOMATIC HEAT

Natural gas, manufactured gas, oil and coal all have strong points as fuel for automatic heat. But coal demonstrates an outstanding superiority over all other fuels when used in a STOKOL automatic stoker. It gives the least expensive, most efficient automatic heat available anywhere. STOKOL burns inexpensive sizes of coal, and burns them scientifically—no soot, dust or ashes. It is available in both hopper and bin feed types, the latter drawing coal directly from the bin. Hopper types require replenishing only every few days. Made in types and sizes to suit every need and budget. Over 40,000 very successful installations prove that STOKOL offers the least expensive, most efficient automatic heat. Without any obligation, let us estimate costs and quote terms on a STOKOL installation in your home.
