PARAGRAPHS

Arthur Goodhart, professor, Oxford University, England: "Every pound of food which enters territory controlled by Hitler will be used directly or indirectly in making bombs with which to attack England."

Masao Kanatawa, Rear-Admiral, Japanese Navy: "It is Japan's responsibility to create a great East Asia bloc as a contribution to world peace."

Rufus C. Harmon, U. S. Senator from Oregon: "The number one threat to our peace and safety is Japan—not Germany."

Carter Glass, U. S. Senator from Virginia: "Anybody who is credulous enough to think that Hitler will not undertake to violate the Monroe Doctrine is too simple to represent his people in the Congress of the United States."

Hugh A. Drum, Lt.-General, U. S. Army: "Modern weapons are of little value in battle if an offensive military spirit is lacking in the personnel commanding them."

Wendell Willkie, Republican nominee for the Presidency: "I think that one-half of the money spent in politics is wasted money."

Walter Winchell, newspaper columnist: "A 'lady' is a woman who makes it easy for a man to be a gentleman."

Leonard P. Ayres, business statistician: "The fate of England is probably the most important problem we have ever faced nationally except perhaps during the Revolutionary War and the Civil War."

Claudette Colbert, moving picture actaress: "It matters more what's in a woman's face than what's on it."
