TOPICS OF IHE IMBE.

THE Albuquerque Indian school established by the United States Gevernusent is in a floorishing the Control of the Cont

THE tallest man in the country is aid to be Heary Thurston, who first besaid to be Heavy Thuran, who divelue
held the light of day near deferon
Charles and the light of the second section
that Teas. Mr. Thuraton is actual
to the seven and a half inchestall, and as
he is thin and gaunt, and invasibly
waara a stove-pipe hat, he never fails to
produce a positively duriting effect topon the beholder. Moreover, he hasesquired several labbits of posture hase
add to the impression. For instance, if
he happens to feel tired when waiting
in the street he is accustomed to rest
Felician to the second secon

The Rev. Newman Hall is universally known in England as the author of the tract "Come to Jesus "Level and the latest that the second of the second of the latest that the late

se provided to suit every class, from the highest to the porcest, but the clearjest rooms in the attic are to be as, clean as the auties on the intest those. These houses, it is stated, are an experiment of a society interseted in the development of women, and are not may aged with an expectation of pecuniary profit. It is easy to understand why the benervorent Dutchmen, best on the development of wives and daughters, should, as the first stage in the work, have made this old experiment of in-

The three funds already collected for the execution of a monument to for the execution of a monument to the late. In Richmond now among to force the second section (85,000). The Richmond Ini-patch urges that the memorial patched use level feel too long, and that an energetic movement to early it to completion should now begin. It suggests that the corner from a should be useful deleted as the contract of the completion of the section of

TRE New York Tribune is evidently of an admirer of the French pretend-This New York Tribune is evidently and an America and mirror of the French preduct of about 100 year of Prince Jerome, nor has it very much forbit in the maintenance has been used in the factors. The attroopment is made that that wordy is about to keep the mode of the factors as it is magnificent. He yearm to see the hands go back on the dial and the the hands go back on the dial and the the hands go back on the dial and the the hands go back on the Empire with himself on its tile of the hands of the Empire with himself on its tile of the hands of the the hands of the hands

realize—that he went some years ago."

Axono the questions likely to engage the attention of Congress at line and the control of Congress at line and the control of Congress at line and the control of Congress at line and the Congress at large and the Congress at

tion drawn up by the convention will be submitted to the vote of the people at the election in November. 1884. If it is stiffed it will be submitted to congress with a petition for the admission of the territory. Will the territory be sublikted? There is one favorable feature. The claim of baloat to be admitted as a state is too strong to be easily denied Yet it is searcely supposable that the Democratic house of representatives will add two Republicans to the senate and there to the Electorial College, unless an offset can be found. For this they must look to Montana, which has always given Democratic majoritics.

FOLK NOTES.

of the Im-

A woman in Hamilton, Van Buren county, had a blackberry pie from blackberries picked in her garden the first of October.

and was glad of it afterward, for he went to a dollar store and bought one nearly as large for NEWS OF THE WEEK.

Cider

Apples

I want 5000 bushels of Good Cider Apples for which I will pay 25 cents per bushel. · I am also prepared

to do all kinds of custom work. One-half mile north of Birmingham.
