Six People in Select Group of Forecasters in 8th Contest

Give $5 in Theatre Tickets as Reward

The football forecasters' contest, sponsored by The Eccentric and various merchants, is fast drawing to a close, with this week's contest, the ninth, and one competition remaining for the following week before the season will be ended. It has been one of the most successful contests ever sponsored by The Eccentric.

Because there are no football games in the area to be played after Sunday, the editors have been forced to switch to the theatre for prizes. So, this week and next, a $5 book of tickets good at the Birmingham theatre and at any of the United Detroit theatres, will be awarded the winner, plus the valuable merchandise awards given by the merchants as outlined in their ads on this page.

So far, no one has yet picked them all. The closest any has come has been all right but two. Last week, 10 out of 14 was the best anyone could do, with six people doing that. The winner is PAT LEDWIDGE, of 1223 Auburn drive, Beverly Hills, a student at Holy Name School. His ballot was No. 13 received, the earliest of any in the top group of six, and according to the rules of the contest, he is adjudged the winner.

Young Pat picked Marquette over Michigan State; Boston College over Georgetown, but missed Gonzaga's victory over U. of D.; Iowa's upset of Notre Dame; Syracuse's victory over Colgate and the Navy-Columbia tie.

Although, State, U. of D. and Georgetown fooled her, as well as Harvard and Brown, this week's palm for brilliant forecasting goes to MRS. GEORGE W. ARMSTRONG, 647 Henrietta, who had the genius to foresee Iowa upsetting Notre Dame; and also, Navy and Columbia's tie. That is something!

PHIL CAREY, 952 Southfield, also picked Iowa, but missed four others. CONNIE VETTRAINO, Bloomfield Hills, was also in this select four-wrong group, as well as JOHN ROSSO, 644 Pierce, and PAUL W. WILLIAMS, of 4016 Baldwin, Pontiac.

Several picked U. of Detroit to close to Gonzaga, and several foresaw Marquette's victory over Michigan State. Glen M. Davis, 632 Larchlea, and R. H. Fleming, 559 Half Moon road, were among the few who predicted the Navy-Columbia tie.

Included in the list of five-wrong contestants were the following:

Ray Sorenson, 651 Davis; Jean Pearce, 1255 Villa road; Roy Lewis, 1220 Cedar; Lucille Curry, 224 East Brown; Helmuth Ammer, 165 North Woodward; LeRoy P. Gardside, Jr., 911 Pierce; John D. Burke, 587 Henley drive; Miss Jessie Doyle, 579 Brown street; Charles Chapman, 1350 Villa road; Ted Corson, 336 West Maple; Clayton E. Brelsford, 212 Pilgrim; Miss Vida B. McGiffin, 595 Bates; Walker Bagby, 1151 Dorchester.

Lloyd Busch, 832 South Woodward; Mrs. Carl Naumann, 183 Poppleton; Ed. Davey, 912 Ridgedale; Agnes Baynes, 29291 Telegraph road; Paul A. Thompson, Cranbrook School; Leonard Liberda, 971 Smith; Marion McAleer, 6 Green street, Pontiac; Jack Lauver, 61 Puritan; William Iverson, 120 Brownell; Mrs. Fred H. Rollins, 700 Whitmore, Detroit; Harry W. Wheaton, 911 South Bates; Bert E. Uebele, Jr., 852 Yarmouth; Grover Mell, 1368 Bennaville; Bernard Levinson, 332 Daines; Walter A. Webb, 507 West Brown; Joe Hardig, 1033 Kennesaw; Beatrice Weiland, 527 North Woodward; and Connie Vettraino, Bloomfield Hills.

Students Shown 2 Motion Pictures

To the weekly assembly of Baldwin, two films entitled "Which Way America?" and "To New Horizons" were shown through the courtesy of the Pixley Hill Chapter D. A. R., last Thursday.

"Which Way America?" was a patriotic film which arrived too late to be shown Armistice Day.

"To New Horizons" was a General Motors film filmed from the General Motors Exhibit at the World's Fair in technicolor.

State Lists Anew Size of Lakes

LANSING—In resolving in favor of Burt lake a local controversy as to whether Burt or Mullet lake is larger, the geology and fish divisions of the department of conservation have rated anew the 15 largest inland lakes of Michigan.

Airplane photographs and recent surveys made by CCC crews under direction of the department's institute for fisheries research were used in revising the old figures.

Houghton lake, with 20,044 acres, or more than 31 square miles of surface, is largest by a big margin. Torch lake, in Antrim, Charlevoix and Kalkaska counties, with 18,286 acres, is second. Burt lake with 17,792 acres and Mullet lake with 15,946 acres rank third and fourth. Both lakes are in Cheboygan county.

Next largest lakes, in order, are: Charlevoix, 15,200 acres; Gogebic, 14,781 acres; Manistique, 10,130 acres; Black (in Cheboygan and Presque Isle counties), 10,130 acres; Crystal, 9,711 acres; Higgins, 9,600 acres; Hubbard, 8,820 acres; Indian, 8,000 acres; Elk, 7,732 acres; Long (in Alpena and Presque Isle counties), 5,652 acres; and Grand (in Presque Isle county), 5,081 acres.

Crystal lake, with a depth of 175 feet, is the deepest of the 13 of these lakes whose depths have been sounded. Deepest spot in Houghton lake is only 20 feet.

ELECTRIC COOKING!
Look at my bill—

($1.55 a month—average—for a family of 3 persons)

"It costs me less than 40c a week to cook on my electric range. Before I got my range, my cooking bill used to run a little lower.

"But for a matter of a few cents a week, an electric range is worth every bit of the difference! Just think: I enjoy electric cooking for less than the price of a loaf of bread or a quart of milk.

"We have a small family—there are three of us—but my neighbor next door cooks for five persons, and HER bill for electric cooking runs about 45c a week. So you see, an electric range costs less than you think. I wish I'd known that long ago . . . I'd have bought my electric range much sooner."

Another electric servant worth "discovering" is the automatic electric water heater. It provides hot water at all hours—and it is so fully automatic you simply install it and forget it. Electric water heating costs less than 10c a day (for an average family of three). . . . The Detroit Edison Company.

YOUR DEALER has electric ranges and water heaters on display. Stop in today—on sale at HARDWARE STORES, FURNITURE AND DEPARTMENT STORES, AND ELECTRICAL DEALERS.
