Maples Hope to Get Back Into Win Column in Lincoln Park Game

Seek to Avenge Loss Last Week To Hazel Park

By BOB CRAIG

Striving to break a two-game losing streak, Birmingham will go to Lincoln Park Friday night, for the tenth game of the season.

Lincoln Park will go into battle with an even record of four wins out of eight. Birmingham will confront the foe with wins over Keego Harbor, Cranbrook, Henry Ford Trade, Plymouth, the Alumni, and Farmington. The Maples have been defeated by Royal Oak, Henry Ford, and Hazel Park.

The Lincoln Park boys have scored 160 points to their opponents' 146. The Baldwin boys top this with 204 points scored to their opponents' 165.

Coach Lindenberg has 13 men on the starting line. They are Carl James, Dick Enright, Alex Lovey, Bob Howells, Jack Hackett, and Del Howells, forwards. The guards are Bob Donley, Glenn Knight, Jack Sanno, Pete Savickas, and Chuck McElroy. The two centers are William Carpenter, and James Howard.

Carpenter, the center, and Knight, a guard, lead the team in scoring honors.

For Birmingham, Coach Frank Ivo Whitney will take ten men. The first five will be Howie Crull, Denny Therrian, Dick Gilbert, Joe Armstrong and Paul Kelley. The second five are Ollie Olson, Dean Firth, Derek Belton, Jack Steelman, Stan Peterson, and Roy Olson. The loss of Ray Prevo has been distinctly felt.

Neither coach cared to make a prediction as to the outcome of the game, but Lincoln Park would like nothing better than to snap the Maples' long string of victories over the Parkers.

Sports Showup

By BOB CRAIG

On last year's basketball team, Birmingham had two players who could not be compared with any players that the team met all year. These boys proved to be scoring threats who could not be checked. Both boys broke Birmingham's season's scoring record of the school, and both broke the scoring record for a single game.

Of that combination, John McDonald was graduated, but Dick Gilbert, the other half of the combination was only a junior. It was said Dick would be back stronger and better than ever in his senior year.

This year Dick started off fine with 12 points against Cranbrook and 11 against Keego Harbor. The third game he dropped down to four points and stayed around that level until the Hazel Park game. During that time he would get two points in one game, five or six the next, but never any points.

Some people said that Dick's scoring slump was a result of being moved from forward to guard and back again. Sometimes Dick would place both positions twice in one game. But all this time Dick Gilbert said nothing; he hoped only that the next game would find him in his old form. He has made no alibis and offered no excuses.

In the Hazel Park game, the team realized Ray Prevo's loss. Ray had always served as a mainstay for the team, but now it was up to someone else. That's what Dick Gilbert realized that night. Not only did he score 12 hard-earned points but he played the game as he had in former years. By the way, it was the third anniversary of his first varsity game for Baldwin.

If Dick can keep up last year's pace for the rest of this season, it will insure a no more confident place for the team. As goes Gilbert, so goes the game!

The night before Hazel Park played Birmingham, it had played and defeated a tough Jackson team. Then the next night it turned around and defeated Birmingham. Two games in two days is a hard schedule.

Coach Franklyn Whitney has been having his boys practice foul shots. The record so far is held by Dean Firth who made 18 shots in a row and missed his nineteenth. Dean made 23 out of 25.

Birmingham now has a record of six games won out of nine.

The Maples meet Lincoln Park tomorrow night for the tenth game of the year.

U. of M. Officials Are First Guests In College Month

Mr. Morgan explained a 15-minute movie about the University of Michigan. This was followed by recordings of U of M songs. Singing at which the students participated was directed by Victor Tilsch.

Another movie of the University was shown and Mr. Smith gave a short talk on "The Value of Education." Tapping followed the Alumni Association.

The assembly closed with the singing of Michigan's hymn, "The Yellow and Blue."

Fast-Break Plays Result in a Loss For Maple Cagers

By ALLEN JONES

By making a complete use of the fast break, seldom seen performed so perfectly, some high school basketers, Hazel Park, defeated the Birmingham quintet in the fastest and most exciting game of the year last Friday at Hazel Park by a score of 44-32.

Birmingham trailed the motley Hazel Park outfit from the first whistle as the Vikings marked up a lead of four points. Bailey sunk a long shot from the middle of the floor and Olson jacked up a second to give the Leaf quintet five points.

Birmingham then took the lead, but quickly it was gone, and the quarter ended 8-23.

The second quarter had scarcely started when the Maples dropped six points, but they closed the half 18-25, a gain of just one point.

The opening

The second half rally was led by Gilbert who tallied nine quick points, and the third quarter saw the Maples outscore their foes by one point. While the crowd roared its approval the game took on a more breathtaking aspect.

Gilbert, who was top honors of the night with a total of 17 points, placed the game on the shelf by matching Gilbert nine points with a final rally.

The game ended in a burst of speed and excitement as the Maple Cagers found themselves hopelessly passed by the Parkers, who dropped the three final baskets for a 44-32 victory.
