"ALL-WOOL" Mankets, according to The Pittsburg Commercial Gasete, are fore mainly composed of hair that once prance! over the praries on the flanks of a long-dorned Texas steer. The hair having been taken from the hidea and thoroughly cleaned, is then mixed with enough wool of a low grade to enable the manufacturer to eard it and work it into blankets and rough beith. The text, it is said, i. wery simple: when short hairs can be pulled out of a "all-wool" blanket probably three-fourths of it is cow's wool.
