"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, April 18.

The Golden Text (Galatians 1:3, 4) is: "Grace be to you and peace from God the Father, and from our Lord Jesus Christ, who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father."

Among the Bible citations is this passage (II Cor. 5:18): "And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 23): "Wisdom and Love may require many sacrifices of self to save us from sin. One sacrifice, however great, is insufficient to pay the debt of sin. The atonement requires constant self-immolation on the sinner's part."

New Baptist Choir To Sing Sunday

A newly organized Girls Choir of 20 voices at the First Baptist Church will sing Fred H. Holton's "Eternal Life" next Sunday morning at 11 o'clock. Miss Constance Peck organized the choir and directs its activities. This will be the first appearance of the choir. The cantata will take about 35 minutes.

Dr. R. H. Martin, of Pittsburgh, Pa., will be the guest speaker next Sunday evening at 7:30. He will speak on postwar conditions in America. His subject is "Shall America in this Crucial Hour Fulfill Her World Mission?" Dr. Martin has traveled extensively and is now on a lecture tour of the country on postwar problems.

Quartette Sings For Ladies Tonight

The musical highlight of the entertainment for the Ladies' Night at Presbyterian Men's club tonight, is the group of numbers to be sung by Birmingham's own barber shop quartette. These men have been working together now for six years and won third place in the recent Saginaw meeting of the "Society for the Preservation and Enlargement of Barber Shop Quartette Singing in America."

The Birmingham quartette is made up of Archie Livingston, the genial barber at 243 West Maple, baritone; police officer, Leo Stiers, second tenor; Frank Carruthers, station operator in Clawson, first tenor; and Leo Langlois, chief inspector at Lincoln Engineering Company, Detroit, basso.

The dramatic highlight of the evening is a hilarious one act show, being staged by "Duke" Dubois. The unit of the Boy Scouts, which is sponsored by the Presbyterian Men's Club will also give an exhibition of their work.

Big Program Is Being Planned For Waist Social

Tomorrow night, the Girls' Interest Group of the Embury Methodist Church is sponsoring a "Waist Social," the price of admission being the number of inches round one's waist. The gay doings will take place in the church basement at 7:30.

The copious and entertaining program will include such things as a short comedy play, piano and voice solos, duets, and trios, a trumpet solo, a reading and a community sing.

Refreshments will be served by the Women's Society of Christian Service of the church.

'Festival of Palms' At Christ Church

A fitting dramatic and traditional introduction to Holy Week, the Festival of Palms at Christ Church Cranbrook on Sunday, April 18, at 4 p.m. will include the offertory anthem, "All in the April Evening" by Robertson, Mrs. Marion Lewis will sing "O Savior Sweet, O Savior Kind" by Bach. The adult choir and the Red and Blue choirs of children and young people will take part in this service and will lead the congregation in carrying palms in procession about the church.

Baseball Team Works Hard for Opening Contest

By CARLETON PATTERSON

Baseball boys practice until 7:30 nearly every night, receiving individual instruction at batting, playing their various positions and learning offensive and defensive signals.

With the opening game less than a week away, the players have been waiting patiently, but have been seen at practice anxious to see the diamond properly edged as has been promised. Bad hops and facial injuries often result from a rough infield.

Hazel Park, the first opponent, has 64 eligible boys out. The full team consists of boys who are three and four-year veterans.

It has recently been discovered that Tom Spiegel has a remarkable arm. With his speed, he might be given a fling at pitching.

Bill Golling appears to be faster than a year ago; Larry Mintling is feeling more confident, and Conway Adams is still slugging the ball and will probably receive a fielding job.

BALDWIN HIGHLIGHTS

Dear Kids:

Throw open the portals! (Better known as doors), heave out the welcome mat and get set to cheer! Barbara Gibson is back in town!

Yes, chillun, it's the truth. After a long absence from Birmingham, Barbara is here visiting some of her friends. Those lucky enough to have her as their honored guest for a few days are Ellen Anderson, Jane Hardin, Nadyne Hecker, and Mary Louise Graham. She was seen at a bridge party not so long ago trumping her partner's trick, if you can imagine such a thing! But seriously, though, everyone's glad to see Barbara again, and incidentally she'll be here 'till the 19th. She lives in Ann Arbor now.

The Bond Wagon really went off with a bang! Seen gossiping on the street corner about the numerous acts were Mary Bull, Nancy MacQueen, Jean Wyckoff, Susie Spiegel, Jeanne Blinn, Diana Roosevelt, Carmela DiPietro, and heaps of others.

This has been sort of a "for women only" column this week but Annie will make it up to the men next week.

Until then—

ANNIE

3 Men Star At AAU Meet

By BILL WYCHOFF

Birmingham had three outstanding men in the Detroit A.A.U. championship track meet last Friday. They were Fred Zoellin, pole vault champ, Don Fisher, runner-up in the shot put, and Carl Blauman who took fourth in the shot.

Fred cleared 11 feet to win and should, before the season is over, make 12 feet. Don heaved the awkward indoor shot 44 feet and Carl pushed it 43 feet. These boys will probably better that mark by a lot when they get out doors.

Ann Arbor took first and third in the shot. That was the only indication of the possible outcome of what is likely to be the Maples' toughest meet of the year, with Ann Arbor and Jackson. But, we predict that if the Maroons can take these two tough Class A opponents, they will have an undefeated season.

One of the best looking rookies on this year's baseball team is Jim Watt. Jim has a nice level swing and has been really pounding the apple. In fact it is speculated that Watt and Spiegel will lead the Maples in batting this season.

Good prospects for the outfield include Tom Spiegel, Pete Gahm, Dick Dunn, and Alvin Larsen. Tom has been making some very nice catches in practice and judges the ball unusually well.

Pre-Easter Series Of Services Begin

A series of Pre-Easter services will be conducted at the Halsey Baptist Church, Main street at 15-Mile road, commencing Monday evening, April 19, at 7:30 and continuing nightly through Friday, April 23.

The speakers for the week will be as follows: Rev. Arthur Hottel, of Hazel Park, on Monday and Tuesday; Rev. James Reeson, pastor of Eber Memorial Church, on Wednesday; and Rev. E. W. Palmer, pastor of Gratiot Avenue Baptist Church of Detroit, on Thursday and Friday evenings. There will be special music each evening.

The Easter season will be climaxed by special programs on Easter Sunday. The young people of the church will sponsor a sunrise breakfast at 7:30 a. m. The Sunday School hour will follow at 10 a. m., the morning worship at 11:15, with the ordinance of Baptism. In the evening service at 7:30, the choir will present an Easter cantata titled "The Prince of Life."

The public is cordially invited to these services.

Strange Feet.

Miss A—It's a pity how snobbish that Barnes girl has become since she was accepted at the ballet.

Mr. S — Yes, it seems as though her dainty feet have gone to her head.

Sports Showup

By DICK BUECHLER

Showing tremendous power in two events held at the Detroit Police gymnasium in an A. A. U. track meet last Friday night, Baldwin thinclads look like title contenders even while competing as outsiders.

After qualifying in the pole vault, Fred Zoelein went on to take this event at 11 feet. With the shot, Don Fisher and Carl Blauman placed respectively second and fourth.

Meanwhile the rest of the track squad is swiftly geeting into shape for their first meet.

The outfield situation in baseball continues to strengthen in fielding calibre but the hitting is too spotty and far below par.

A terrific battle is being waged for the three key positions. Bill Golling, Tom Spiegel, Conway Adams, Jim Watt, and Hendricks look like the best prospects for the outfield.

The golf team is returning to form swiftly, opening practice at North Hills.

Dick Burkett fired an 87 to lead the candidates, while Claude Phelps shot an 88 to be runner-up followed by Bob Burton who scored an 89.

If transportation and meets are arranged, Baldwin should be represented in this spring sport.

B'ham Opens Cinder Season at Pierce Field Today

By RAY DENNIS

Birmingham's State championship track team will open its season this afternoon at 4:15 with a triangular meet with Berkley and Hazel Park at Pierce Field.

With ten lettermen back, the Maples will have experienced men in every event but the mile run. But even this grind might be a strong point, as Walt Whitmer, a cross country letterwinner, has looked very good in practice.

The letter winners back are Fred Zoellin, State and Detroit City champion pole vaulter; Don Fisher, second in the Detroit city meet and runnerup for the State shot put title last year; Stan Peterson and Bob Murray, sprinters and members of the State championship relay team; Dick Hopkins, one of the State's finest hurdlers and high jumpers; Bill Wyckoff, hurdler; Harold Kelley, pole vaulter; Bob Halsted, quarter miler; Mel Boomer, high jumper; and Carl Blauman, shot putter. The broad jump event should again be handled efficiently by Stan Peterson.

By KEN O'BRIEN

There is also a possibility that the team will go to the Wayne Relays at Belle Isle if they are held. Birmingham has won this meet for the last seven years, no other class B school ever taking first.

Part-Time Jobs Held by 203

A vocational survey prepared by Lloyd G. Chapman, guidance director, was given recently to 546 students at Baldwin High School to determine the per cent of students holding jobs, results showing 203 working and 343 not working.

The ages of the students enumerated ranged from 15 to 17 years. The majority of these students work in public service companies, factories, and grocery and drug stores.

The students working average about two hours a day. About half the students go to work after school while 40 of them go at noon, having their school subjects during the morning.

They average 40 cents an hour. The students earn an average of $8 a week. The majority budget their money.

Most of the students try to contribute to their own support. On the average they pay $4 a week for board; about 180 of the 200 buy all or some of their own clothes.

Half the students have savings accounts while most of them buy war bonds and stamps regularly.

Most of the students agree that the jobs they hold now are contributing to their total education. Some appear to take the job they have now as life work.

It was found that of the 203 now working, only 49 found it necessary to work.

Jug Competition Helps Red Cross

The Baldwin drive opening April 5 to raise funds for the senior Red Cross closed last Thursday.

This drive was sponsored by the Baldwin Student Congress. In order to stimulate enthusiasm among the students, competition was arranged between the three classes. Three gallon jugs were placed in the main hall, and a member of each class was put in charge of a class jug.

The sophomore class contributed the most, leading with $59.20. The seniors were second with $48.17, and the juniors were last with $42.63. The total contributed was $150.

Vivian Scott Concert At School Today

A capacity audience will hear Vivian Scott, talented young Pontiac pianist, present a classical program in Baldwin High School auditorium this afternoon.

Included in the varied program were a Beethoven sonata, "Jeux d' Eau" by Ravel, Moskowski's "Sparks", Chopin "Ballade in A Flat", and Debussy's "Claire de Lune."

Miss Scott's concert is sponsored by Fenton R. Mathews and will be attended by high school students, Royal Oak and Pontiac musical organizations, and many interested Birmingham people.

In Rhode Island the Agricultural Extension Service dramatizes its nutrition program through a traveling puppet show, which is popular with children.

Eight students, girls included, attended his conference, since it also involved acquainting all students with Oberlin.
