Mr. Joseph Beach.
What happened to me?
I have been suffering from a
terrible headache, and my eyes
were so sore that I could not
open them. I tried everything,
but nothing helped. I was
about to give up when I
heard of your medicine. I
bought a bottle, and after
taking a few doses, I was
relieved. I can now see and
work as usual. I am truly
grateful to you for what you
have done for me.
