Bloomfield Group Opens Seeing Eye Membership Drive

Workers and vice chairmen of the Bloomfield division of the Detroit Seeing Eye Membership Enrollment met on Wednesday afternoon, at the Community House to discuss plans for enrolling of new members for the Morristown, N. J., school where dogs are taught to serve as guides for the blind.

Miss M. Romayne Thompson and Mrs. George B. Storer are co-chairmen of the division, with the following vice-chairmen, each of whom heads a team of workers: Mrs. Donald S. Bell and Mrs. R. Jamison Williams of Birmingham; Mrs. H. H. Hills, Mrs. Fritz C. Hyde, Jr., and Mrs. C. George Shepherd, of Bloomfield Hills; Mrs H. H. Robinson of Berkley; and Mrs. L. C. Sheffield of Pontiac. Mrs. James A. Renick is chairman of the enrollment, which opens on April 30.

Vice-President Attends

Guest speaker at Wednesday's meeting was Morris S. Frank, vice-president of The Seeing Eye, acquainted enrollment workers with the program of the school. He spoke Wednesday of the nearly 900 graduates who are now using Seeing Eye dogs in every state of the Union, the District of Columbia, and Canada. These blind men and women, he reported, are working in over 100 different types of occupation.

Mr. Frank was accompanied on Wednesday by "Buddy II," his second Seeing Eye dog.

An officially sponsored membership enrollment is conducted in the Detroit area at this time each year. The Seeing Eye is a national philanthropy and is supported by memberships and public contributions.

Ernest C. Kanzler is chairman of the permanent greater Detroit Seeing Eye executive committee, of which Mrs. John W. Gillette, Jr., of Birmingham, and William G. Lerchen of Bloomfield Hills are members.

A similar meeting of the Bloomfield division is planned for Monday, April 23, at the Community House at 10:30 a. m.
